Cub Scout Day Camp FAQ

Read this in its entirety & use the Table of Contents for specific sections.

BSA Response to Coronavirus (COVID19) Pandemic

Please see the following link for most up-to-date regarding Boy Scouts of America / Tidewater Council's official COVID19 Response as well as updates to procedures and policies: <https://tidewaterbsa.com/covid-19-response/> Questions regarding COVID19 specifically should be emailed to Council Day Camp Advisor Christy Cooper at Christy.Cooper@Scouting.org.

Registration & Check-In Policy

Advance registrations are strongly encouraged. To register for the event, go to <https://scoutingevent.com/596>. Paper registration forms on page 16 can be submitted to the Tidewater Council's Service Center located at 1032 Heatherwood Dr., Virginia Beach.

Registration fees are required to cover program costs, administrative costs, and insurance for council events. For registration questions, contact Christy Cooper at Christy.Cooper@Scouting.org or (208) 597-6044.

WALK-IN REGISTRATION ON THE DAY OF THE EVENT IS NOT PERMITTED. YOU MUST PRE-REGISTER TO PARTICPATE. REGISTRATION AFTER 6-1-21 INCLUDES A \$10 SURCHARGE/ REQUIRES WRITTEN APPROVAL FROM CAMP DIRECTOR.

Pre-Camp Check-in is a vital part of the camp administrative procedure. Usually scheduled for the Saturday preceding camp, each camp asks that **all** volunteers and participants come to collect their Day Camp T-Shirt (the official uniform for Cub Scout Day Camp) and **submit the paper hardcopy of all necessary forms** to have onsite during camp.

Check-in the week of camp will vary by location but is typically the **½ hour prior to scheduled camp start** (for example, if camp starts at 9:00 AM, check-in for participants is from 8:30AM to 9:00AM). Medical Pre-Screenings are required for check-in.

Due to space and time constraints, registrants checking in late will be asked to **stay in their car** until camp staff provides further direction or arrive on time to attend all activities on program schedule. If participants were not accounted for at the Pre-Camp Check-in, an additional delay should be expected upon arrival the first day of camp.

You are encouraged to use on-line registration early, attend the Pre-Camp Check-in, and arrive on time to have the best opportunity to enjoy this event without paying higher fees or potentially missing out on fun.

Refund Policy

If the Government's state regulations require event cancellation, all registrants can expect a full refund. We are sorry that we **cannot** refund event fees if your youth/scout does not show up to the event under any other circumstances. If you are unable to attend, we suggest working with your pack to see if someone else can take your spot. Any refund requests would need to be made through the Council Service Center during normal business hours, no later than two (2) weeks prior to the start of the event. There is a minimum 15 percent surcharge on refunds.

Event Summary

What is Cub Scout Day Camp?

Cub Scout Day Camp is a weeklong outdoor experience for Cub Scout youth. Camps vary in the hours of operation, but they normally run from 8:30 or 9:00 AM to 3:30 or 4:00 PM. Twilight camps normally run from 3 or 4 PM until around 8 PM. This gives parents the opportunity to be involved on a more flexible schedule. Both a camp and a program director, along with a staff of volunteers, conduct the camp programs. You are invited to be part of the staff!

Cub Scout Day Camp:

- Promotes year-round Cub Scout program
- Provides opportunity to complete elective adventure requirements at every rank
- Encourages Cub Scouts to benefit and grow with a good outdoor experience

The daily program centers on Cub Scout and Webelos electives as they relate to the outdoor program. The Scouts will work on activities that are challenging and age appropriate. There are a wide range of activities, varying between camps, but most camps will include most of the following:

- Shooting Sports (BB Guns, Archery, and/or Wrist rockets/Sling shots)
- Sports and games
- Academics
- Science
- Nature
- Crafts
- Skits and songs
- Lunchtime programs

Why is Cub Scout Day Camp important?

Studies show that we often lose Scouts over the summer months when the program is typically less active. By getting the scouts to commit to a new, fun and challenging experience through Day Camp, they are much more likely to continue in Cubs over the summer and into the fall, and more likely to then make the move into Scouts BSA after graduating 5th grade. For Tiger Scouts, Day Camp is a great opportunity to build the relationships of the Tiger Cub & their Partner, making the transition to Cub Scouts comfortable, easy and exciting!

Why is it so important that our youth stay in Scouting?

Cub Scouts offer our youth opportunities for personal growth, as well as fun, which are unmatched in other youth activities or elsewhere in our society. The timeless values and outdoor activities of Scouting provide them with a foundation for learning that has nothing to do with school. Scouting teaches responsible independence, decent and respectful treatment of others, cooperative citizenship, and appropriate leadership.

As parents/leaders, we also learn how to be better role models of these behaviors ourselves. The Scouting movement has over one hundred years of experience in crafting all this learning into a program that seems all about fun to the youth. Most of them don't really notice all that they have gained from it, until they grow up to be parents and Scout leaders themselves! In this time of so many negative cultural and peer influences in children's lives, our families and community desperately need the positive alternative support that Scouting provides.

Event FAQ

1. Who is eligible to attend Cub Scout Day Camp?

All registered Cub Scouts are eligible to attend day camp. Day camp uses the same ranks to identify age groups as your pack.

- **Tigers** are school-age youth that have completed kindergarten (an adult ‘Tiger Partner’ must attend)
- **Wolves** have completed the first (1st) grade
- **Bears** have completed second (2nd) grade
- **Webelos** have completed third (3rd) grade
- **Arrow of Light Scouts** have completed fourth (5th) grade

TIGER Partners: It is a National BSA requirement that all Tiger Scouts must have an adult partner with them at all activities. The adult partner is expected to participate. The camp director will identify one of these adults to be a den leader for their day camp den.

Please note that Lions are not part of Cub Scout Day Camp. The Lions program runs September through early June for kindergarten – these Scouts transition to Tigers at the start of summer camp time.

2. What uniform do we wear for the event?

- The camp T-shirt is the official uniform to be worn at camp. This applies to all youth as well as adult volunteers.
- No button-down shirts, neckerchiefs, or slides.
- Hats are encouraged. Great for sun protection!
- Wear sneakers or boots - NO open toed shoes, crocks, etc.
- Bring rain gear if applicable.

3. Do we need to bring anything to camp?

Each Scout (and volunteer!) should bring the following items. At the individual camp’s “Scout and Parent Orientation” sessions, Camp Directors will identify any additional items needed for that camp.

- Refillable water bottle/canteen
- Lunch (refrigeration is not available, so please pack accordingly)
- Sunscreen & Insect repellent -lotion only
- Bandana/wash cloth/hand towel
- Required prescription medication in original container(s)

4. How are medications and allergies handled at camp?

To best understand each person’s medical needs, we **must** have the Health and Medical Forms A and B filled out and on file **prior** to Camp, preferably before Pre-Camp Check-in to have all allergies and medications on file.

Allergies to food and medications are assessed by the camp Medic before camp so that accommodations can be made. To keep each Scout safe, we ask that **NO food sharing** occur at camp. It is expected that any food allergies are handled by separate lunch seating.

Medications that must be taken during camp hours must be:

- 1) listed on Medical Form part B;
- 2) in the original medication container for that individual;
- 3) turned into the camp Medic in a gallon size, re-sealable bag, with the person's name and phone number on it.

Epi Pens should be carried by the person or responsible adult.

All medications must be picked up prior to camp closing.

5. Is there a reduced fee for not participating in camp the entire week or day?

- No – the fee is to attend and participate, whether there for a few hours or the whole event.

6. Can we attend camp after / before my child's appointment or other activity?

- Yes, you can come and go as you need for other activities, however:
 - A new Medical Pre-Screening will be required to be re-admitted onsite (COVID-19 Procedures – see Page 28)
 - The Scout may miss part of the activities offered in this wonderful event.
 - Please plan accordingly.

7. What happens if there is implement weather?

- All Camp staff has Hazardous Weather Training to ensure the safety of our youth. Please Be Prepared. In the case of extreme heat, thunder/lightening, or other foul weather, camp may close early or be cancelled.

8. How do we register through the Cub Scout Pack? What forms are required?

Cub Scout Packs should assign a "Pack Day Camp Coordinator" to collect forms, fees, and ensure each unit has appropriate adult volunteer representation for the youth attending camp. **Paper copies of forms are required, even if registering online.** We should not digitize Medical Forms.

The forms your Pack Day Camp Coordinator will collect include the following from this Leader's Guide:

- Scout Registration Form
- Code of Conduct
- Authorization to Pick up Scout
- Volunteer Registration Form
- Staff Agreement Form
- Tot-Lot Registration Form
- Medical Forms (A & B only, Not C)

Alterations to the Forms in this guide are strictly prohibited. Everyone at camp needs to have Medical Forms A and B on file: this includes staff, scouts, volunteers, and youth in the 'Tot Lot' area. Please reference Page 17 for all necessary forms.

9. I volunteered to be the Pack Day Camp Coordinator – how does this work??

Firstly, we want to thank you sincerely for taking on this very important position! Your role is vital to the Cub Scout Day Camp administrative process. For everything you need to know about being the Pack Day Camp Coordinator, look to the Pack Section on page 9. If you've any questions for your camp specifically, your Camp Director should be able to answer them. Please look to page 8 for a listing of all camps and their directors' contact information.

10. Volunteering at camp and active-duty military. Anything I should know?

Tidewater Council can provide a letter requesting no-cost orders to active-duty military volunteers. Should you require a letter for your command, please provide to your camp director: your command's name and address, your name and rank, the camp date and location where you will volunteer. The camp director will forward requests to the council day camp advisor. While Tidewater Council is happy to request the special orders, the final decision is made by the military command. Submit requests to the camp director as early as possible. See OPNAVINST 5760.5D Navy Support and Assistance to Youth Groups, section 4d. <http://govdocs.rutgers.edu/mil/navy/5760.5D.pdf> (other services have their own instructions).

11. I'm willing to volunteer at camp, but I have other children to look after. What can I do?

Each camp understands this circumstance and offers the "Tot Lot" program to accommodate. **Tot Lot is a convenience for adults who volunteer at camp** and have children that are not Cub Scouts and are under 14 years of age. Tot-lot children must be toilet trained and at least two years of age. Children 10 thru 13 years old may register for the Go-For Patrol, offered by most camps; youth older than 14 can also register as Volunteers.

The fee for Tot Lot is \$4 per day, payable daily at the camp; this covers insurance, supplies, snacks, and drinks. Each child attending needs to have a Tot lot registration form and Medical Forms A & B, submitted prior to camp. **Tots may not tag-along with the adult volunteer during camp activities.** Adult volunteers at camp the full week receive one free registration in Tot Lot/Go-For Patrol.

The person in charge of the Tot lot plans activities for the younger crowd and will develop a full program of crafts, story time, nature activities and quiet time geared toward the younger child. Tot lot participants may be included in the lunch program if the activity is age appropriate.

12. My older child is a Den Chief in Scouts BSA. Can they volunteer?

- Den Chiefs must be at least the rank of First Class and trained. Den Chiefs may be younger than 14 years old, but then must volunteer with their regular Cub Scout Den and Den Leader and must have attended Den Chief Training. A copy of the training certificate must be submitted.

13. What food is included in the cost?

Outside of snacks at Tot Lot, most camps plan a special event at camp closing that includes a group-wide food service. Please talk to your specific camp's directors to find out more about this option.

14. If my scout is only one from my pack attending camp, how does he/she register?

We ask that the same registration process be followed, with the adult volunteer registering the single youth as part of the Pack.

An adult participant that is responsible for the scout from the pack is still needed. Please ensure at least one adult volunteer from the pack so all scouts can enjoy the experience and stay safe.

15. What Advancements will my scout earn at Day Camp?

The day camp programs contain a well-balanced variety of adventure achievements. However, the primary objective of day camp is not advancement (though it IS a great opportunity to earn the Cub Scout Outdoor Activity Award).

Our overall objective is to be outside, try new things, learn new skills, make new friends, and to have FUN! Each camp has a Program director that plans that camp's program. So, each camp may have similarities, but will be unique in what they offer.

Den Leaders will have record sheets for tracking the Scout's progress throughout the week. At the end of camp, copies will be made for both the Scout and the pack. Packs should receive a packet of their Scouts activities by the district Roundtable following camp.

Camps do not award any recognition other than the day camp patch.

16. Will my scout need any money at camp for souvenirs or camp pictures?

Each camp varies, but there is a strong chance your camp will offer a Trading Post to buy camp keepsakes or a picture packet that includes pictures of the Den and/or individual for a nominal fee (i.e., \$3.00). Medical Form Part A includes photo consent – be sure to check this if pictures are desired. Reach out to your camp directors to confirm what to expect at your specific camp.

17. Are siblings / friends allowed to attend?

No. Siblings/friends that are not Cub Scouts cannot attend the event as participants, only as part of Tot Lot or Go-For Patrol. Siblings can attend Family Camp to experience Cub Scout fun first-hand.

18. Can the scout attend camp with another adult?

- Scouts can attend camp under the supervision of another adult so long as that adult is not responsible for more than **four scouts total**.
- All adult volunteers should be Youth Protection-trained. Two deep leadership and no one on one contact policies must always be followed. No youth is to be alone with an adult who is not their own Parent/Guardian.
- All guidelines of the Guide to Safe Scouting and BSA Youth Protection Policies must always be followed.

19. Is water available at the camp location(s)?

- Yes. National Camp Standards require potable water sources are available at camp. Everyone attending should bring their own personal water bottle (preferably full at the start of the day) to be refilled.

20. What if there is an Emergency?

- In the case of an emergency (such as a Lost Scout), any Staff member should notify the Camp Director. All stations will have the contacts for of the Medic and Directors at camp. Parents/Guardians will be notified as needed.

Pack Section

Pack Day Camp Coordinator – Job Description

The pack day camp coordinator's job is twofold. First, it is to ensure that every family in the pack knows about day camp and has an opportunity to sign up. This is done by promoting day camp at den and pack activities. There are promotional suggestions listed below. The district's camp director can be invited to attend a pack meeting to tell everyone about day camp.

The pack coordinator also sets the pack's deadline for turning in the registration forms to the pack. They are responsible for turning in the cover sheet, the pack roster, the Scout, adult, and tot-lot registration forms, with signed code of conduct and staff agreement forms and medical forms A&B for everyone attending camp. The pack coordinator will collect all fees at the unit level and provide one-unit payment to council. If additional individuals wish to sign up after the pack's deadline, the pack coordinator helps them fill out the required forms. Then submits an additional cover sheet with a unit roster and required documentation to council in a timely manner. **Please do not hold packets until the next council deadline. Timely processing is critical for directors to prepare for a successful camp. Please, forms must not be altered.**

Promoting Day Camp in Your Pack

Day camp can be a wonderful experience for your Scouts and a valuable contribution to your pack's summer program. The key to giving every child an opportunity to attend camp is to get the information out to the unit in a timely manner. This affords families the opportunity to make plans for attending camp.

The pack committee appoints the pack day camp coordinator. This person is the camp director's point of contact for the pack. While it is recommended your unit sign up its scouts for the same camp, it is not required. This will aid in carpooling and coordination of parent volunteers to assist in camp. Decide which camp works best for your pack.

A great opportunity to make the initial presentation is at a pack meeting where the attendance will be high. Make a production of the presentation. Perform a short skit relating to the camp theme or some of the activities conducted at camp to make an impression on the scouts and their parents.

Please do not alter the forms in this guide. It is best to encourage families to use the fillable documents and print. Also have copies of: Camp schedules and locations, Scout registration form with Code of Conduct copied on back, Staff/Volunteer Registration form with Staff Agreement copied on back, Tot-Lot forms, and Medical Forms A & B for everyone attending. Keep a record of which families have received the information. This will make follow-up easier.

Online Registration: The Pack Coordinator will process registration in Black Pug and select those attending camp. Payment can be made by credit card or by check/cash at the Scout shop.

Use the camp theme in planning the pack presentation.

Each pack is required to provide at least one full time volunteer for every four Scouts attending camp for each day of camp (groups of less than four also require a leader). As the pack coordinator collects the camp registrations, use the “Day Camp Unit Roster” to keep track of the youth that have applied and paid fees as well as the adults committed to help as den leaders.

Steps to conducting an effective pack promotion:

1. Select the camp to attend as a pack. Packs can do more than one camp.
2. Decide on how much financial support the pack can provide.
3. Set the date to present the information to the scouts and their parents. The sooner the better. Pack meetings with high attendance provide the ideal opportunity.
4. **Set a deadline for the parents to return the forms and money. Again, the sooner the better. Several camps fill up even before the deadline. Your deadline is in advance of council's.**
5. Make sure each family gets the information: a list of the camps, Scout registration forms with Code of Conduct copied on back, adult registration forms with Staff Agreement copied on back, Tot-Lot forms for volunteers with other children and Medical A & B for everyone. Adults volunteering must be registered with BSA, with background checks and current Youth Protection Training (YPT).
6. **Prepare your presentation to your pack. Use virtual platforms and in-person if you can!**
7. Gather and materials or props needed to present. Have a sign-in sheet, roster, or other method of keeping track of who attends the presentation.
8. Work with den leaders to get the materials to the parents.
9. Schedule a backup meeting for anyone who missed the presentation. Follow up individually with phone calls, personal visits, or at den meetings.
10. Use personal reminders, flyers, pack newsletter, electronic communication system, or phone calls to remind parents of the pack's sign-up deadline.
11. Use the **PACK ROSTER FORM** to keep track of which scouts and parents are going to camp.

Remember we need one adult for every four scouts (groups of less than four still need one adult) for each day of camp.

12. Complete the process: Use Black Pug online registration. Then bring all of the forms for your Pack, as one package, to the Scout shop. Remember to turn in everything as early as possible. It is best not to wait until the deadline to register, camps have a maximum capacity.

“How to Promote Day Camp” Script

A pack meeting is the ideal place to introduce day camp. This is just one type of presentation. Use this script or make up your own. If you do decide to use this one, read and rehearse it several times and then put it aside and use your own words. It will sound much more natural that way. Check with the camp director for the camp selected, to see what kind of activities the camp has planned. Most camps will do sports, crafts and games, but may not host all shooting sports. Families will want to know the exact times for camp opening and closing.

~~~~~\*~~~~~

**Hello Scouts and parents!**

My name is \_\_\_\_\_ and I am your pack day camp coordinator. Many of you are already familiar with day camp but for those of you who aren't, here is a little of what day camp is all about.

Day camp is a weeklong outdoor experience every Cub Scout will enjoy. They go to camp each morning and begin the day with an opening ceremony. The scouts are assigned in dens and begin a series of great activities. They make some special crafts (hold up some items from previous camps) similar to these. Most camps shoot BB guns, bows and arrows, and/or wrist rockets. Parents don't worry, we are under strict control and have trained instructors. They will likely play some sports.

They will learn about nature and do science experiments. After a lunch break and rest period, there are more activities. The day ends with a closing ceremony. We are going to have a great time and we want all of you to come.

Den leaders will now hand out forms for you and your sons to register for day camp. We want to try to get all of our Scouts to go to camp on \_\_\_\_\_ at \_\_\_\_\_(location). To sign up please complete the application, medical forms and Code of Conduct for your son. We need parents to attend as well. We must provide at least one adult for every four scouts we send. The adults will serve as den leaders or station helpers. For adults volunteering at camp, there is a Tot-Lot (babysitting service) available at a small extra cost. We would like you to be there for the entire week, but even a day or two will help. For those of you in the military, the Tidewater Council can provide a letter to your Commanding Officer requesting no cost TAD orders. These letter requests need to be submitted to me.

The cost to go to camp this year is \$\_\_\_\_\_ if we register by \_\_\_\_\_ the Early Bird date. So, I need your forms back by \_\_\_\_\_. This covers the materials and equipment that our Scouts will use, the patch, T-shirt, facility and operating fees, liability insurance, and the picnic for the campers and staff. After the Early Bird \_\_\_\_\_, the cost increases to \$\_\_\_\_\_ per Scout.

For those needing financial assistance, some camperships are available. Please see me if you would like information on applying. There is a \$10.00 discount if you have more than one child attending the same camp. There is a regular rate deadline too, \_\_\_\_\_ and then permission and a late fee are required. So, let's get registered early. I know it is still a long time till summer, but many of these camps fill up early. With that in mind, we need to get the paperwork done and payments made to our pack. Let's take advantage of the Early Bird rate, so please get these forms filled out and returned to me by \_\_\_\_\_.

The bottom line, this is great fun for our Scouts, parents, and siblings.

If you cannot attend day camp, please let me know. Then we won't miss someone that wants to attend.

~~~~~\*~~~~~  
~~~~~

Tailor the presentation along the lines of the theme for the camp. Use costumes and props – hats, clothing, themed items made from cardboard, or something from the "How To" book. Sports equipment and crafts from previous camps would also be appropriate.

# Forms

## Filling Out the Forms

Forms for Cub Scout Day Camp can be referenced in Appendix X of this guide. Please fill out required forms completely. Do NOT alter the forms in this guide, as this is the information we need to have. **Use fillable PDF's on all paperwork if able, they are on the TidewaterBSA.com website in fillable PDF.** Print neatly on all paperwork. Day camp directors do not have access to Council's data base, so they are not able to figure out what they cannot read. These forms are turned into your Pack's Day Camp Coordinator. Your pack's coordinator will turn in the complete packet of forms and payment to Tidewater Council. They will use the documentation to register your pack through Black Pug, and then identify those attending.

**Cub Scouts:** Youth finishing kindergarten and entering the 1<sup>st</sup> grade in Fall will be the new Tiger Rank and are required to have an Adult Partner (AP) with them at camp at all times.

- Scout Registration Form. Make sure that the grade you write in reflects the grade he **WILL COMPLETE** this June. Please carefully consider the t-shirt size, extras are not available for trading, we order what you mark on the registration.
- Code of Conduct signed by Cub Scout and Parent; the Scout must write their name on this document, "do your best" to sign. They are agreeing to these statements for camp.
- Annual Health and Medical Record (parts A & B done by the parent; Not C)

**Volunteers – Youth or Adult:** Volunteers must be at least 14 years of age, or a trained Den Chief volunteering with their den. Volunteers that are 18 years or older are to be registered with BSA and have a background check. Full week volunteers receive a free t-shirt; please indicate the correct size t-shirt. All other volunteers have the option to purchase a t-shirt.

- Staff Registration
- Staff Agreement – completed and signed
- Annual Health and Medical Record (parts A & B) filled out by parent or participant
- If currently CPR or first aid certified, include a copy of the certificate
- All volunteers age 18 years and older must complete Youth Protection Training
- Only volunteers age 21 and older count toward adult/youth (1 to 4) ratio requirements

**Tot Lot:** Tots are children of adult volunteers, for the days the adult volunteers at camp. Children are to be potty-trained and at least 2 years of age. Children ages 10 to 13 years of age may register with the Go-For Patrol, as they are not old enough to register as a volunteer.

- Tot-Lot Registration Form – must be submitted prior to the beginning of camp
- Annual Health and Medical Record (Parts A & B) filled out by the parent/guardian

### **Pack Roster and Pack Payment Forms:**

The Pack Roster Form lists all Scouts and qualified adult volunteers (age 21+) attending camp. Rosters without required documentation will not be accepted. You may use as many adults as necessary to meet required ratio of 1 adult per 4 scouts for each day of camp. The Pack Payment Form compiles the amount of money due to the council for the registrations being turned in. It also has a check list of all required documents due with your payment.

## Elements of a Successful Day Camp Program

**Adult Participation** — parents are urged to volunteer either daily or for the entire week. Adults can participate in a variety of ways; at activity stations, with the dens, or Tot-Lot. (Note: Please do not promise them they can be in their son's den, it doesn't always work out)

**Friendly Atmosphere** — this means more than the activities themselves, relaxed outdoor living, unhurried yet exciting and miles of smiles!

**Balance** — there should be time for strenuous activity and time for rest, time for quiet activities and time for noise and motion, time for development of new skills and time for leisure.

**IMPORTANT** - Cub Scout day camp is meant to give a taste of many outdoor activities. As a den, the Scouts experience such a variety of programming, that hopefully there will be something that each scout "likes best".

## Qualities of a Good Day Camp Leader (Volunteer)

MATURITY	SENSE OF HUMOR
COMPETENCE	ADAPTABILITY
IMAGINATION	GOOD APPEARANCE
UNDERSTANDING YOUTH NEEDS	SENSE OF RESPONSIBILITY
PATIENCE	COMPASSION
COMMITMENT	TACT
AGREEABLE PERSONALITY	POSITIVE ATTITUDE

**Volunteer Information Session:** When the camp staff/leader is recruited, a commitment is made by each individual to attend staff/leader information session. This will be held before opening of day camp. The camp director will determine the dates of each individual camp's sessions. This will allow time for staff/leaders to secure tools, equipment, and materials needed for their particular activity.

A **Day Camp Staff Agreement form** must be signed prior to working at day camp. All volunteers 18 years and older should be BSA registered scouters (with background checks) and must have current **Youth Protection Training**. Reminder, volunteers must be at least 14 years old.

Individuals that are **CPR and/or First Aid certified**, are asked to submit a copy of their current certificate. This assists each camp in meeting National requirements. All Day camps are subject to National Camp Accreditation Standards (NCAP) and are assessed for accreditation.

## Duties of Adult Den Leaders (Volunteers)

1. Responsible to the Camp Director.
2. Attend the Camp Director's meeting at the beginning and end of the day.
3. Assign den buddies.
4. Take attendance at the start of each day. The Camp Director or designee will check with you on attendance after opening. Camp directors must contact parents of all absent scouts.
5. Do a head count upon arriving at EACH program area. Follow posted procedure for lost scout if there is a discrepancy in the count.
6. Go over the schedule with the Cub Scouts at the start of each day.
7. Hand out and maintain control of name tags, if used.
8. Escort den from station to station; Encourage singing and games along the way.
9. Assist in program areas as needed so scouts make the most of the opportunities available.
10. If recognition beads are being used, make sure each scout receives their bead at the end of each station for the project completed to the best of their ability.
11. FILL OUT ACHIEVEMENT SHEET ON EACH SCOUT AFTER EACH STATION!!
12. Help scouts with songs or skits for the family program.
13. Be concerned with camper safety; prevent such dangerous actions as rock throwing, etc.
14. All first aid must be performed by the camp medic and recorded in the medical log. For minor injuries, escort Cub Scout to the camp medic. For major emergency follow posted camp procedures. Keep calm!
15. Maintain control of the den; Report any problems you cannot handle to the Camp director.
16. Keep on schedule and do not punish the group with not going to a station.
17. Check each scout in and out of camp each day. If you must leave before all of the scouts have left, notify the Camp director or designee to assume that job.
18. Observe and recognize Scout-like behavior.
19. Smoking must be in designated area only, out of sight of ALL youth.
20. Use the Cub Scout Sign; do not yell "Signs up." Do not yell at the scouts or other volunteers!
21. Do NOT make up additional rules. We use the scout Oath and Law as our guidelines.
22. RELAX AND HAVE A GOOD TIME!!!
23. Program station supplies are provided by the camp. Den time activities are the responsibility of the den leader. It is helpful to have a small box with simple games, crayons, paper, scissors, marbles, etc. Ask the camp's Program director for assistance.

## Den Chiefs and Youth Assistants

Den Chiefs must be at least the rank of First Class and trained. Den Chiefs may be younger than 14 years old, but then must volunteer with their regular Cub Scout Den and Den Leader and must have attended Den Chief Training. A copy of the training certificate must be submitted.

Volunteer Youth must be 14 years of age or older. These youths will serve as runners, station assistants, den leader assistants, general helpers and carry out assigned duties. For youth ages 10 thru 13, please see information about the Go-For Patrol. Age is a National requirement.

NOTE: The Camp Director reserves the right to dismiss youth and adults that are not doing their best to live by the Scout Oath and Law.

## Youth Protection

Any suspected or alleged child abuse will be reported to the Camp Director immediately. The Camp director will immediately notify Scout Executive, James Parnell, by calling (214-883-6027).

All day camp staff volunteers, 18 years and older, must have current Youth Protection Training, whether or not they are registered adults. The Youth Protection Training course is available at [my.scouting.org](http://my.scouting.org) or can be taken in a classroom setting. Print the certificate.

Please continue to use only one training account. If you are or were a registered Scout in Tidewater council, and you are creating a training account for the first time, you MUST use your BSA ID# to set up your account so that it links to your records of advancement. Otherwise, you will create a new BSA ID #.

## Refund Policy

Refund requests must be made on the Tidewater Council, Camp and Activity Refund Application. Copies of the form are provided upon request through the current day camp Advisor. Completed forms are submitted to the day camp Advisor. On the form, you must give a reason for the request, and it should be accurate and compelling and submitted by the deadline. There is a minimum 15 percent surcharge on refunds, and other monies already expended will determine the amount of the actual refund. Refunds are provided back to the unit that submitted the original payment and they have the option to reimburse the individual registrant. If a unit store account exists, money will be deposited there, otherwise a check will be written.

### **From the Events Handling Guide:**

Refunds are permitted if they are requested two (2) or more weeks prior to the event. After that, the funds can only be transferred to another member in the same chartered organization for use at that specific event. Refunds are not granted regardless of circumstances after the two (2) calendar week deadline before the event.

If an event is not held, all funds shall be returned without any fee or expense withheld, first to the unit account or next to the unit via the committee chair. Because materials and other supplies are purchased prior to an event, it is impossible to have a more liberal refund policy.

If a registrant is sick, the event is still held, the materials were purchased and the event expected them to attend. If a registrant suddenly realizes that they did not plan their calendar well or their school changes a test, this is outside of the control of the event. In other words, the event must plan and make decisions based on every registrant's attendance, not on unforeseen circumstances.

## Personal Equipment Used at Camps

Our day camps are hosted at a variety of locations that are not council property. Often, we ask volunteers to bring items to camp, such as tables, chairs, canopies, easy-up, car-ports, wagons, water jugs, and the like. Funding is not in our camp budgets to buy and store these items for camp. We appreciate the generosity of our families and volunteers. Please understand that these items are not covered for loss or damage. The weather is unpredictable in the summer months and has caused destruction of property at times. The owner bears the burden of damaged or lost personal property.

7. Scouts will not carry matches. If needed, they will be provided for the activity.
8. **Scouts will wear closed toe shoes and socks at all times, except when swimming. Crocks are not authorized.** Sandals that cover the toe completely and secure around the heel are acceptable.
