

Sleeping Bags for Needy Youth

We need your assistance in helping to secure new sleeping bags for the neediest youth of our Tidewater Council. These bags will be for youth that are brand new to Scouting or for new units in the most challenged areas of our council. For just \$35 you can help one Scout enjoy warm feet and appreciate the great outdoors.

There are thousands of youth that through no fault of their own have almost no access to funds to fully participate in our Scouting program. The Boy Scouts of America fully understands that and agrees that no youth should be denied an opportunity to enjoy the program based on money alone. We help all other people at all times, if we can!

Each Scout that receives a sleeping bag will be required to give a day of service to a worthwhile community service project. A Scout earns his way!

You can make a difference!

You don't have to stop at \$35 you can contribute more and on the same basis will try to provide more basic equipment that many of us take for granted, items like:

A pack, cook kit, tent, and canteen

Will you help us put a needy youth in a bag?
