

## Commemorative Bricks

Pipsico Scout Reservation has been around for over 50 years and needs to be rebuilt and improved, brick by brick. We will be using the bricks to incorporate into the wall and walkways of our upgraded dining hall.

By purchasing a brick and inscribing a name, you can give a lasting memorial to Pipsico Scout Reservation in your own name or the name of your family. You can recognize an Eagle Scout, a Scout leader, an employee, a teacher, or a pet, etc. A business or organization may inscribe its name to show community support. Corporations may display their corporate logos.

A commemorative brick would make a special birthday or anniversary gift, and we can supply an attractive card or certificate for you to present to the person being honored. If necessary, attach a note to the order form indicating any special wording you would like on the card or certificate.

Here are the two types of bricks that will be available:

8" x 4" -Cost is \$100 per brick

8" x 8" -Corporate version -Cost is \$250, and includes use of corporate logo

Please note: three lines of characters. Each line has room for 14 characters or spaces.

**All inscription submissions are subject to review by the Tidewater Council. Tidewater Council retains the right of refusal for all brick orders, and reserves the right to choose type size, and to arrange words to maintain balance and improve legibility. The bricks will be displayed near the entrance to the expanded dining hall at Pipsico Scout Reservation. The Tidewater Council retains the right to position the bricks to achieve an appropriate pattern.**
