

# Trainer's EDGE

Saturday, September 24, 2016

Nimmo United Methodist Church

2200 Princess Anne Road, Virginia Beach, VA 23456

Trainer's EDGE is BSA's trainer development course designed to help Scouters put into practice the EDGE training model and gain self-confidence through hands-on training experiences. The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer. It is meant to raise the level of skill a trainer brings to the learning experience. Only practice can polish these skills, but this course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media. This is part of a continuous process of updating trainers with the latest training methods, principles, and technologies.

### Who should attend this training?

- District and council trainers
- Merit badge counselors -- including summer and winter camp staff
- Roundtable staff members
- Pack trainers
- Commissioner trainers
- NYLT & Wood Badge staff
- Troop guides or instructors
- Unit Leaders

**Participants must prepare a presentation (about five minute duration) before the course** and bring the material, equipment, and/or props they need to deliver the presentation. They will be given an opportunity to practice this presentation in a small group setting and receive feedback. The topic of the presentation is at the discretion of the presenter, Scouting topics/skills are always good. Additionally participants will prepare a second presentation during the course, practice it with their small group and receive feedback.
