Campsite Assignments

The Camporee Registrar/Campsite Assignment team will assign campsites based on registration date and the size of the unit. More than one unit may be assigned to a campsite.

Preparation for Arrival

Please review the administrative procedures and the program health/safety/security needs of both the Camporee and your unit, well in advance, to ensure participant understanding. Please ensure that all participants are registered Scouts, registered adult leaders, or parents/guardians. Please ensure all attending adult leaders are up-to-date with their Youth Protection Training. Please ensure that you have and bring all the necessary permission slips, medical forms, medications, and unit roster.

Check-in

Check-in will begin at 5:30 pm. (NO EARLY CHECK-IN) All units must check-in at the Burton Center to receive their campsite assignment, event paperwork, and turn in their unit rosters. All Units are required to attend the leaders' meeting on Friday evening during which time updated unit rosters will be turned in.

Medical

It is the Unit's responsibility to have an Annual Health and Medical Record (Sections A & B only) and a unit-provided Activity Permission Slip for each participant. The Camporee Staff will only verify that these forms are in the possession of the unit leader. Individuals without medical forms will not be allowed to stay. All medications, including over-the-counter and prescription medications, brought to camp are the responsibility of the unit leader. The Health Lodge will be manned by our Health & Safety Chairman, Eric Hoyt, for the Camporee weekend.

Parking

Park **ONLY** in designated areas at the Burton Center parking lot or overflow lots (the field by the climbing tower). Parking in or near the campsites is not permitted. Units will be allowed to drive to the campsite area to drop off gear. Driving inside the campsites is not permitted. Trailers may be parked at the entrance to the campsites for the duration of the Camporee. **DO NOT REMOVE ANY BARRICADES** to access the camp site. **NO** vehicles are allowed to remain in camp after unloading gear. The only vehicles permitted in camp are the medic, essential staff to transport needed items to their program area, and people with special needs (coordinated with Camporee Chairman). ***Units will lose 20 points from their campsite inspection if any vehicles are parked in their camping area.***

Leaders' Meeting

A Leaders' Meeting and Cracker Barrel will be held on Friday night. Each Unit's senior youth leader and one adult leader are required to attend the meeting. The meeting will take place at the OA Shelter at 9:00 pm on Friday night. There will be a Cracker Barrel for all staff and unit leaders directly following the Leaders' Meeting on Friday night.

Visitors

Visitors and families are welcome and encouraged to visit the Camporee on Saturday. Visitors must depart camp following the campfire. All visitors must check-in on Saturday at the Burton Center.

Awards

- **Camporee Patch** – A patch will be distributed to recognize all Scouts and adults who have qualified or participated in the Camporee. One patch per paid Scout or adult is included in the registration fee.
- **Unit Ribbons** – A ribbon will be presented to each Unit to recognize its participation at the Camporee.
- **Three Rivers District Traveling Trophy** – Recognition will be given to the Units based on their campsite inspection score, competition events' scores, and display of Scout Spirit. Awards will be announced at Sunday Morning Colors. See Appendix G for criteria.

Scouts' Own Service

A Scouts' Own worship service will be held Sunday. All Scouts and adults are encouraged to attend.

Clean-up & Check-out

All units are expected to clean their campsite area and latrine. Additionally, all units will be assigned a program area to help clean. Prior to departure, all units will check-out at Burton Center. Please do not leave camp before your site has been inspected.

First Aid

Units are expected to provide their own first aid for minor problems. For more serious problems or injuries, notify the Health & Safety Chairman. The Health Lodge will be staffed during Camporee.

Emergency Situations

In the event of an emergency situation during the Camporee (extreme weather, lost Scout, etc...), the Camporee Staff will utilize the siren located at the Burton Center. If the siren is heard, all campers should immediately report to the field in front of the flag poles by the Dining Hall for a head-count by their units. Units will notify the Camporee Staff if they are missing any youth and emergency measures will be taken from there. In the case of extreme weather, the Dining Hall porch and OA Shelter will be used as a shelter. The siren will be tested during the opening ceremony on Saturday morning.

Inclement Weather

Be Prepared. There is no rain date for the Camporee. All units should prepare for foul weather.

Guide to Safe Scouting The Guide to Safe Scouting guidelines will be followed at all times. Two registered adult leaders, or one registered leader and a parent of a participating Scout or other adult, one of whom must be 21 years of age or older, are required for all trips and outings. Appropriate adult leadership must be present for all overnight Scouting activities.

Off-Limit Areas

The following areas are off-limits during the Camporee: Central Showers/Bathrooms (closed for the season), waterfront area (These are not program areas; Units must provide leadership if walking the lake or James River), cliffs, Ranger's home & Gregson building, maintenance areas, Camp Staff living areas, Dining Hall, and any other areas not being utilized for Camporee activities.

General Restrictions

- Sheath knives, fireworks, pets, personal firearms, personal ammunition, personal bows/arrows, alcohol, and illegal drugs are **prohibited** in camp. Electronic games, radios, walkie-talkies, TVs and tape/CD/DVD/MP3 players, etc. are not permitted.
- Smoking: Anyone under 18 years old is **prohibited** from using tobacco in any form while at camp. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle. This includes E-cigarettes and Vaping products.
- Scouts are not permitted to roam through campsites during scheduled activities. Scouts are not permitted to leave the boundaries of the Camporee site. No riding in the back of pick-up trucks. All other policies regarding camping at Pipsico Scout Reservation are in effect.

Uniforms

The Field Uniform (Class A) should be properly worn (shirts buttoned and tucked in) for the following events: check-in, check-out, and campfire. Scouts should wear their Activity Uniform (Class B) for Saturday's competition events. Class B's include: Scout shorts and/or pants (if the youth have them), along with either a unit T-shirt, or other Scouting T-shirt

Footwear

Close-toed shoes or boots are to be worn at all times in order to prevent foot injuries. We insist that everyone wear shoes at all times. Sandals that cover the toes and have heel straps are allowed. Flip-flops are not appropriate footwear at the Camporee and are prohibited.

Garbage Disposal

All refuse and trash will be placed in plastic garbage bags (provided by the unit) and taken with you when you leave camp.

Latrines/Bathrooms

Each campsite is equipped with a latrine for Scout use. Bathrooms in the Burton Center are off-limits to youth and are for adults and staff 18+.

Fires & Cooking

A Scout is careful with fire. All fires must be in either above-the-ground fire barrels or contained in an established fire-ring. All fires must be kept in moderation. Lanterns can be used in the campsites if elevated off of the ground. All units should plan to cook using propane stoves or fully-contained charcoal grills elevated off of the ground or established fire-rings. Dutch oven or charcoal cooking will be allowed if the charcoal is raised off the ground or contained in an established fire-ring or fire barrel. Do not dig into the ground to form fire pits. There is ample dead wood on the ground around camp, which you are welcome to cut and burn; do not cut any standing trees or saplings, dead or alive. For safety, you should establish a properly marked ax yard. The Camporee Staff will update units on the current fire policy (restrictions) at check-in.

Meals

Meals are the responsibility of each unit and no supplies will be provided by the Camporee Staff.

Leave No Trace

We will be practicing all seven principles of Leave No Trace during the Camporee. Trash receptacles will be provided for campers to discard waste appropriately in the program areas. Campsite trash/garbage should be disposed of by the unit.

Water

Water is available at all campsite latrines and at certain program areas throughout the day. Units must bring their own water containers to transport water to their site for use. Scouts are recommended to carry their own water bottle during Saturday's activities.

Taps

Scouts and adults are asked to observe quiet time after taps. Taps is at 10:30 pm nightly.

Changes/Revisions to Leaders' Guide

Any changes or revisions made to the Camporee Leaders' Guide will be distributed to the units registered. Final event schedules will be distributed at the Friday night Leaders' Meeting.
