THEME

The theme for this Camporall is "Scouting is Forever." Scouts can share or apply Scouting skills learned by youth over the past 60 years. To maximize their experience, Scouts are encouraged to use their teambuilding and planning skills in preparation for and during the Camporall.

Each unit is asked to choose a decade starting in the 1950's running through present day and create an activity as part of our program. Units will creatively teach a key Scouting skill implemented during the period it has chosen. Examples of teachable skills found on **page 9** of this leaders' guide.

REGISTRATION & CHECK-IN (SPACE IS LIMITED—REGISTER EARLY)

All registrations should be made via the council's online registration system at <http://tidewater.tentaroo.com>. Register your Troop, Pack, Crew, Post, or Ship **and visitors by October 14**, 2018 to avoid a late fee. **The fee for registrations received after October 14th will be \$22 per person.** No exceptions.

The online registration will require your unit number, number of youth, adults, and visitors attending, and a point of contact, including a phone number. NOTE: A separate fee for use of a credit card will not be charged for this event.

A completed roster form is required at check-in and is provided for your use at the end of this leader guide. When you complete registering online (that is, you "submit" your registration with payment), you will receive an invoice by email. Units that add the registration to their cart, but

do not pay, will not be considered registered and a campsite will not be assigned until final registration payment is submitted. Bring a copy of this invoice with you when you check in on Friday evening. If members of your unit plan to arrive at different times, please ensure that each vehicle has a copy of your roster form available at check-in.

Remember: the registration fee *after October 14th* will be \$22 for every person.

If you are unable to find a computer to register online or have another member of your unit to register online, please call Byron McPherson, Camporall Chair, at (757) 581-0691.

CAMPSITE ASSIGNMENTS

Campsite assignments will be made after registration closes. We will let you know your campsite assignment via email at the email address used when registering.

PARKING & UNLOADING

No vehicles are allowed at the campsite areas or event fields, except to unload your gear and return to the parking lot. Please make every effort to unload completely prior to setting up.

When your unit vehicle arrives, it will be given one (1) 30-minute pass to unload at its campsite area. If you have more than one vehicle to be unloaded, the next vehicle will get a pass when the first one returns.

Due to safety concerns and in accordance with camp policy, no vehicles will be allowed in the campsite overnight. Parking is only permitted in the designated parking areas. If the ground is too wet for vehicles, you may have to carry your unit's gear into camp. The camping and training areas are limited. Your safety is our first concern, so your cooperation is appreciated.

LEADERSHIP

*All units will comply with current BSA Youth Protection policies. **TWO-DEEP ADULT LEADERSHIP IS REQUIRED.*** All units should operate under the appropriate leadership method for their respective programs. That is, troops by Patrol Method, Packs by Den or Unit Leader method, and Venturing, Sea Scouting and Exploring by their respective youth leaders.

There must always be at least one (1) registered adult Scouter in each unit's campsite when youth are present. When youth are not present in the campsite, one adult must be present in the campsite. This is to facilitate contacting a unit member in case of an emergency and to provide the unit information concerning ongoing events.

DAY VISITORS (not camping)

All day visitors (not camping) must register at the same time as the unit registers online at a cost of \$10 per person. Visitors must leave camp by 9:30 PM each night.

GROUP GATHERINGS (Alumni and friends, etc.)

Affiliate groups such as a Gathering of Eagles, Wood Badge alumni, James E. West Fellows, Camp Staff alumni, etc., are invited to organize separate gatherings during the Camporall. Please contact Byron McPherson ASAP if you are arranging a gathering of alumni, so space can be set aside for your group. NOTE: Attendees must register with their unit or individually online and pay the appropriate fee to attend.

FIRST AID

Each unit is expected to follow appropriate first aid practices for their program. Each unit should have a first aid kit available for minor injuries. Emergency medical care will be available for more serious injuries at the Health Lodge at Camp Lions entrance. All units must bring a current copy of Parts A and B of the Annual Health and Medical Record including a copy of the insurance card, for each camper. All injuries must be reported to the Health Lodge immediately.

COOKING

All units are expected to cook all their own meals. Optionally, a pre-order for Saturday lunch of hamburgers, hot dogs, chips, drink, and a cookie will be available at the cost of \$5.00 per person. Lunch pre-orders must be made and purchased during online registration. Pre-purchased food tickets will be given to each unit at check-in.

LATRINES

Portable toilets will be available in the Kiwanis camping area. It is recommended that each unit bring toilet paper, *just in case*. Please be considerate of others and keep restrooms and portable toilets clean. Restrooms and portable toilets will be clearly designated as “Men” or “Women.” Handicapped facilities will also be available and clearly labelled.

TRASH DISPOSAL

Remember, “Carry In - Carry Out.” Each unit is required to provide their own trash bags and remove all refuse from their campsite by placing it in one of the dumpsters in Camp Lions or carried out of camp. Additionally, there will be a dumpster available as you depart the camping area. If the dumpster is full, you are required to pack your trash out. **DO NOT LEAVE TRASH OUTSIDE THE DUMPSTER.**

GATEWAY COMPETITION

As part of the competition events, units are encouraged to build a Gateway near the entrance of their assigned campsite. Be innovative, and resourceful. For troops, gateways should be built by Scouts. Packs should incorporate ideas from the Cub Scouts in the unit, but should be supervised and assisted by adult leaders. Venturing, Sea Scouting and Exploring units should have their gateways built by its youth leaders.

Each unit shall provide all materials for their gateways and all gateway materials should be removed and carried out of camp upon departure. Each program (Boy Scouts, Cub Scouts, Venturing, Sea Scouting and Exploring) will have one gateway selected as “Best of the Camporall” for that program. Scoring will be based on three criteria: (1) theme-related, (2) ingenuity, and (3) use of natural materials. Judging will occur during Saturday afternoon’s competition. All decisions by the judges are final.

CAMPSITE INSPECTION

Inspections of unit campsites will be conducted during the morning activities. Inspections will follow the criteria established by the checklist. Inspection teams will complete a sheet for every unit. The Camporall Committee will average all sheets for a composite score.

For Boy Scout troops, the SPL must be present during the campsite during the inspection. For Cub Scout Packs, the Cubmaster or designated adult leader should be present. For Venturing, Sea Scouting and Exploring, a designated youth leader of the unit should be present. All decisions are final.

COOKING COMPETITION

Units are encouraged to take part in the Saturday evening Dessert Cook-Off in which each will enter a dessert to be judged by their peers within their respective programs. The Cook-Off will occur in the Camp Lions OA Shelter at 7:15 PM.

For Boy Scout troops, Venturing crews, Sea Scout ships, and Exploring posts, entries must be prepared at camp with limited leader assistance (as required to ensure safety). For Cub Scout Packs, the entries should involve youth as much as possible, but supervised by pack leaders. The dish should be presented with a list of ingredients and able to be tasted by a total of nine (9) people. All decisions are final. Want a chance to be a Foodie Judge for the Cook-Off? Submit a short essay on why you should be selected and have your leader hand it in at check-in. One youth from each Scout program will be selected from the entries received.

CAMPFIRE PROGRAM

Every unit is expected to attend the exciting program on Saturday night. Units wishing to participate in the campfire program should let their desire be known, as well as the type of campfire feature they’d like to present (skit, song, etc.) at check-in. Due to time constraints for the campfire program, only a few selected units will be able to participate. The Camporee Committee will notify the selected units Saturday morning. Attendees are required to wear their Class “A” field uniform during the campfire.

OTHER PROGRAM FEATURES AVAILABLE ON SATURDAY

In addition to the Gateway, Cooking, and Inspection competitions, archery, shooting sports and the climbing tower will be available to all Scouts on a first-come-first-served basis. Scouts who

wish to participate in shooting sports should bring \$5.00 for 10 shotgun clay shots, \$2.00 for 20, 22 shots and \$2.00 for 50 paint ball rounds. There will also be displays and giveaways by several local vendors including LL Bean, Great Outdoor Provision Co., Tidewater Appalachian Trail Club, The Adventure Park at Virginia Aquarium, and Kelty.

WORSHIP SERVICES

A Scouts' Own Service will be provided for all campers on Sunday morning. Class "A" field uniform is required for attendees. No unit may check out until worship services have ended and a final campsite inspection has been completed.

AWARDS

Top 3 awards and participation ribbons will be presented at the closing ceremony, one award for each program (Boy Scouts, Cub Scouts, Venturing, Sea Scouting, and Exploring):

- a. Gateway Competition
- b. Site Inspections
- c. Cooking Competition

Activities should be interactive and deliver a fun program, and not necessarily advancement or achievement. This is a great opportunity to expose Scouts, families, and visitors to exciting ways of having fun or learning an interesting skill.

The Camporall committee has final approval of proposed activities and will limit duplication. Please make your selection early. Please secure committee approval **before** creating your unit activity.
