that last a lifetime

Did you know that Scouting is a year-round program? There's no better time than the summer to get outside and have some fun – that's what makes Cub Scout Day Camp so great! It's fun – with a purpose!

Now is the time to get the word out to your Cub Scout Pack: Day Camp Registration is OPEN, running a very special **Early Bird rate**, now through **June 1, 2020**. Cub Scouts is a family-focused program: Siblings in Scouting who also attend camp get a \$10 discount! Because we'd rather you Scout than not – and what better place than Cub Scout Day Camp?

THIS YEAR'S THEME: CUB SCOUT EXPLORATION

From the depths of the ocean to the wonders of the past, Cub Scouts at Day Camp will become Explorers, ready for adventure!

The camp program offers age-appropriate opportunities where a Scout can try his or her hand at a variety of activities, including STEM, shooting sports, field games, Scout crafts, campfires, flag ceremonies, songs, and ecology/conservation elements.

All of their experiences will be a part of their Cub Scout adventure – electives towards rank, working NOVA award requirements, and so much more.

We look forward to having your family join us at camp!

CONDUCTED BY VOLUNTEERS SUPPORTED BY FAMILIES

Day Camp **absolutely** requires family support to make it happen.

Make sure that, when your pack registers, there is **one adult volunteer per every four Scouts** attending day camp.

All day camp staff, leaders, and even directors are adult volunteers, most with Scouts attending camp – we truly can't do it without you! See the 2020 Day Camp Leader's Guide for additional information, and thank you for all you do.
