Our signature indicates that we completed this health screening daily for 14 days prior to camp and to the best of our ability. We understand that arriving to camp healthy is vital to a healthy camp for all campers and the importance of physical distancing to protect all campers during the Covid-19 pandemic. It is understand the risks of attending day camp and acknowledge the potential to contract Covid-19 during travel to/from, or during camp itself, regardless of the extra precautions Tidewater Council, my unit, and myself have taken.
