Boy Scouts of America Tidewater Council

NYLT

JUNE, 2021

The BSA's Vision is:

"The Boy Scouts of America will prepare every eligible youth in America to become a responsible, participating citizen and leader who is guided by the Scout Oath and Law."

Tidewater Council's NYLT course is "the next step" in youth leadership development.

What is NYLT?

National Youth Leadership Training is an exciting, action-packed program designed to provide youth members with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others.

BSA engaged a task force of leadership experts and hundreds of Scouts in pilot courses across the nation to review and test every aspect of the new NYLT syllabus. The new course incorporates the latest leadership ideas and presents fresh, vital and meaningful training for today's Scouts.

The NYLT course centers around the concepts of what a leader must **BE**, what he must **KNOW**, and what he must **DO**. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided using memory aids, which allows participants to understand and employ the leadership skills much faster.

The new NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skills and confidence to lead well.

Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

Quality Staff

NYLT is a youth led, youth run event. Youth staff plan, prepare and deliver the NYLT curriculum to the participants. A trained youth staff member is assigned to work with each patrol throughout the 6 days. This Troop Guide is responsible for training the participants and guiding them through the stages of team development. An adult staff mentors youth staff members. A BSA Nationally trained Course Director guides the adult staff.
