

Scout Sail!

Ahoy Scouts!

Sea Scout Ship 42 Invites you to Cruise the Chesapeake Bay on a our Sail Boat!

This is a fun-filled introduction to sailing for all scouting programs in Tidewater Council. Participants will take a short cruise on the Chesapeake Bay and learn about sailing and boating safety. Each participant will receive a commemorative patch. The Sea Scouts are part of the BSA and focus on teaching young people maritime skills.

If your pack, troop, crew or post is interested please contact Sea Scout Ship 42 Skipper to arrange a suitable date and time for your unit. We have limited availability so make your plans soon! Also, we limit total participants to 20 so if you have a larger group we will schedule more trips.

Sea Scouts is a program of the BSA for young people 14 years of age (or 13 years of age and completion of the eighth grade). The maximum age for participation is under 21 years of age. The purpose of Sea Scouts is to bring a program of character building, citizenship training, and personal fitness to the youth of America.

Sea Scouts started in 1912 and has a long and colorful tradition. Thousands of young people have had the opportunity to follow the traditions of the sea while learning what the future holds, whether it's a career related to the sea or a lifelong hobby of recreational boating.
