## Boy Scouts of America Annual Food Drive

Supporting Local Foodbanks and Charities

Your neighborhood collection date:

Scouts help other people at all times. Through the Scouting for Food drive, we request your support to contribute food to members of our community who are facing hunger and food insecurity.

We encourage a contact-free experience. Please put nonperishable goods in this bag, and feel free to add any additional bags or boxes.

Please place all donations outside and in easy view from the street by 9 AM on the date listed above. Please do not include glass containers, perishable items, or frozen foods. Thank you!

This project is supported by:
