This covers attendance at MBU for one or both sessions. Registration will be open through **November 6, 2015.** While space is limited, Scouts from outside the district may apply if approval is obtained from a member of the MBU committee. Due to the facility's space constraints, this year's event will only be **open to the first 150 registrants.** **Only Scouts who are notified that their application is accepted should show up at the event!** **Unfortunately, no walk-in registrations will be accepted - no exceptions.**

2015/ 2016 Three Rivers District Merit Badge University  
Leader's Guide

**NEW THIS YEAR: Units &/or individuals will be advised of the total payment due at the conclusion of the second session. Payment should then be made by cash or check to the Tidewater Council Service Center - please make all checks payable to BSA.**

**How To Register – Big Picture**

- 1 Scout units are asked to provide 1 MBC for every 5 scouts attending (rounded up to the next multiple of 5). For example: 6 Scouts requires 2 registered MBCs participating.
- 2 Scoutmaster briefs Scouts and parents about MBU
- 3 Scouts fill out MBU applications
- 4 Scoutmaster fills out MB blue cards
- 5 Scoutmaster reviews and signs blue cards
- 6 Scoutmaster reviews and signs MBU application
- 7 Scouts, parents, or Scoutmasters submit signed MBU application
- 8 Acceptance letters are sent to Scoutmasters who then notify their Scouts who were accepted.
- 9 Scouts bring signed blue cards and MB pamphlets (optional) to class

Note 1: The MBU staff recommends using a unit meeting to read and explain the application process. The unit should use a single adult member to manage the registration. This helps ensure that no one is missed.

Note 2: The application instructions are included in this guide. The parent/s signature grants permission for a Scout to attend. The Scoutmaster signature is the recommendation that the Scout be admitted to MBU and a certification that the Scout is an active, registered member of the Troop.

Note 3: Blue cards are a very important record and may be the only record a Scout has of completing a merit badge when needed for a Board of Review. Care must be taken to make sure the card is properly completed. Also, the Scout MUST bring the signed blue card with him on the first day of MBU. The MBU staff recommends that a committee member or assistant scoutmaster fill out the blue cards (legibility and completeness is essential).

Note 4: Turn in the MBU applications with your payment. Your cancelled check will serve as your receipt. It is desired that units submit all their applications together. Do not turn in blue cards with the registration. The Scout must have the proper Blue Card when starting the class.

Leader's Guide

#### General Instructions

- The registration form is at the end of this Leader's Guide. Make as many copies as needed.
- Please fill out the application completely, leaving no blanks.
- Please ensure applications are filled out neatly and legibly.

#### Scout Information

- Acceptance letters and class assignments will be either mailed or emailed to the participant's scoutmaster. The email and mailing addresses should be valid during the duration of the event.

#### Scoutmaster Information

- Since there will be several important mailings to Scoutmasters, the mailing and email addresses of the Scoutmaster given on the form should be valid through March 1, 2015.

#### Class Selection

- Select your first through tenth choices on the application. Efforts will be made to register you for your top choices.

#### Scoutmaster's Approval

- The Scoutmaster's signature indicates that the Scout is registered with the troop, has discussed taking the selected merit badges with the scoutmaster, and that the blue cards are in order.
- Subject to BSA's clear advancement policy regarding selecting merit badges, scoutmasters should exercise judgment when advising Scouts about merit badges. Consider advising the Scout and his parents about whether the merit badge is typically age-appropriate for that Scout and that he will likely be able to participate in the class without disrupting the other Scouts.

#### Parent (or Guardian) Permission

- By signing the application, a parent (or legal guardian) gives permission for the Scout to attend and participate in MBU.
- In case of emergency, every effort will be made to contact parents (or legal guardian). In the event they cannot be reached, the signature gives permission to a licensed physician or emergency first responder to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for the scout.
- By signing the application, the Scout's parents (or legal guardian) agree to pick up the child at 4:45 PM each day. **NO LATE PICK-UPS PLEASE!**
- Emergency phone numbers provided should be valid.

2015/ 2016 Three Rivers District Merit Badge University  
Leader's Guide

- If a Scout requires help with medications that he needs to take while at MBU, a caretaker should be sent to accompany the Scout.
- The MBU Health and Safety Staff will not administer any treatments.
- Scouts with disabilities and/or special needs **must have** a caregiver attend MBU to assist them.

**Where to Submit Application**

Completed applications will be accepted beginning October 8th, 2015. Those wishing to make arrangements to hand deliver the applications may do so by contacting one of the MBU Coordinators. **Again, units are asked to please submit all their applications together for ease in processing. NO PAYMENTS WILL BE ACCEPTED WITH REGISTRATIONS!**

#### ***B. Effective Revision of Requirements and Merit Badge Pamphlets***

Those Scouts starting and completing any badges at MBU must use the requirements listed in the 2015 Requirement Book.

#### ***C. Effective Revision of Requirements and Merit Badge Pamphlets***

Prerequisites

2015/ 2016 Three Rivers District Merit Badge University  
Leader's Guide

Several merit badges, such as Personal Management, require at least 3 months of effort. Scouts are encouraged to begin work on those long-duration requirements immediately; however, the Scout may complete those requirements with a Troop merit badge counselor at a later date.

#### ***D. Homework***

Scouts may be expected to do homework between sessions. The Scout is responsible for completing his requirements for the merit badge.

#### ***E. Field Trips / Off Site Instruction***

Occasionally, scouts will need to participate in a scheduled field trip for the completion of a particular merit badge. If that occurs, a special permission slip will be provided, and parents will be responsible for furnishing transportation. Some courses are offered at remote sites away from the main campus of MBU. Scouts enrolled in these off-site courses will be provided with special instructions by their instructor.

#### ***F. Partial Completion***

If a Scout is unable to complete his merit badge, the "PARTIAL" completion will be noted on his blue card, which will be returned to the Scoutmaster. MBU Counselors are seldom available to serve as counselor after MBU ends, unless special arrangements are made afterwards which are acceptable to the Scout, his parents, and the counselor. Remember that following BSA's Youth Protection policy is required when visiting with a counselor.

### **IV. Conduct and Discipline**

As a participant of the MBU, I will:

- Observe the Scout Oath (or Promise) and the Scout Law.
- Wear my official uniform.
- Attend the classes I am assigned.
- Be personally responsible for breakage, damage, or loss of property.
- Be courteous to other students, counselors, and staff.
- Not run or participate in horse playing inside the building.
- Clean up my classroom at the end of each session.
- Clean up my trash after eating a snack or lunch.
- Not possess electronic devices except cell phones which should be in quiet mode.

### **V. Uniforms**

Scouts are encouraged to wear the official field uniform for MBU. Most units call this a "class A" uniform or the uniform you normally wear to a troop meeting.

## VI. Snacks and Lunch

- **Lunch is not included in the registration payment.** Food may be purchased on site at a cost of no more than \$5 per session. Scouts may plan to purchase food & drink from this offering or they should bring their own lunch. All food must be consumed in the designated area. No food or drink is permitted inside the church building unless an exception is made by the MBU Staff for reasons such as inclement weather.
- Scouts are expected to clean up after themselves.

## VII. Health, Safety, and First Aid

- Participants should take their own medicine if needed during class.
- No running inside or outside the building.
- No roller blades, roller shoes, roller skates, Heeleys, or skateboards are allowed.
- No alcohol, illegal drugs, fireworks, firearms, slingshots, or anything else that might distract from the learning environment. No tobacco products are permitted.
- Buddy System is mandatory during class sessions. Bathroom breaks during class must be with a buddy.
- The MBU First Aid station is at the Administration table.

## VIII. Lost and Found

- The MBU Lost and Found is located at the Administration table.
