

2016 PRINCESS ANNE DISTRICT WEBELOSREE

The Webelosree is a fun overnight campout for Webelos Scouts only and is designed to give them a chance to work with Boy Scouts and each other throughout the event. The Webelos will participate in fun activities, gain new skills, and learn about Boy Scouts all while completing requirements towards their rank. Each Scout will receive a special patch that signifies their participation in this year's Webelosree and will participate in multiple competitions with other dens throughout the district. Come and help us bridge the gap between Webelos and Boy Scouts and create memories that will last the rest of your son's Scouting journey!
