Conference housing:

Although the Florida Sea Base has a vast program facility (the Atlantic and the Gulf of Mexico!), it has a limited land base. Therefore, housing for ALL participants will be in the SCUBA dorms. The dorms consist of separate male and female bunk-style beds with common bathroom/shower facilities. The dorms are quite comfortable, but they were built with the occasional summer or fall tropical storm in mind which means they are on the second story and do not have elevator access.

The Council/District Training Committee

For members of the district training committee and council training committee and trainers, this conference features the latest tools, techniques, and best practices to help you increase the number of trained leaders while building a successful and sustainable training program. Additional topics include creative ways to reach the untrained leader; how to utilize unit trainers; and methods to recruit, train, and strengthen the district training team. Participants will also learn where to find, interpret, and act on council training data. The most current information on new and/or revised syllabi for volunteer training courses will be shared.

(Jan. 8-14)

Key Concepts of Commissioner Service in Scouting's Second Century

Unit service is all about impact. This conference will focus on the impact that commissioners have on units. Whether you directly serve a unit or serve as a roundtable or an administrative commissioner, this conference is for you. The conference will enable participants to strengthen the relationship between unit service and district operations while strengthening unit key 3 relationships. The conference will also provide ways for commissioners to extract data from Commissioner Tools and turn it into actionable information which will be the basis of the unit service plan. You will gain a better understanding of the methods commissioners use to help units better serve more youth through Scouting.

(Jan. 8-14)

The Mechanics of Training

Designed for unit-, district-, and council-level volunteers and professional Scouters, this conference will cover the mechanics of training including the latest training tools, techniques, and best practices. Participants will be instructed in how to use My.Scouting Tools, the Learning Management System (LMS), training reports, and basic training requirements for leaders. Also discussed are meeting the JTE goal for training, monitoring and promoting volunteer training awards, and how to plan, organize, and implement a unit/district/council training plan.

All Program...All the Time

We know you have a passion for the Scouting program. The question is, what can we do to deliver a more robust program and get more youth involved? Come and spend a week with members of the National Program Development Team where we will focus on every aspect of program execution and delivery as well as how to make it so much fun that you can't help but grow. You can spend your week focused totally on your favorite program or mix it up a bit. You'll have over **FIFTY** different topics to choose from, covering Cub Scouting, Boy Scouting, Venturing, Disabilities Awareness, and Advancement. Whether you choose to focus your learning or just sample around, you'll have the opportunity to spend some time with experts in each of these program areas. You don't need to become as knowledgeable as they are, but knowing how your program can benefit and be benefitted by the full family of Scouting will move you to the next level. No matter what your current Scouting position is, if you're into delivering or supporting an awesome Scouting experience, this week is for you. Just to give us an idea of your interest, register for the conference specific to your passion, but come prepared to take home a broader view of all that Scouting has to offer.
