

2017 ALBEMARLE DISTRICT CUB-O-REE

NOVEMBER 3-5, 2017

Introduction

This Cub Scout Family Camping Weekend is an opportunity to experience scouting with others!

There will be a variety of activities to include things for nature enthusiasts, fishermen, marksmen (aspiring marksmen), sports fans, and more. The program schedule is jam packed with activities. If a Scout tires out or a program doesn't interest you, feel free to do your own thing. Please try not to arrive late to sessions as safety briefings must start on time.

Participants are invited to camp Friday evening through Sunday, or any portion in between. Families are welcome to arrive on Friday to set-up camp and relax (this makes Saturday easier). Likewise, after a day of craziness on Saturday, you are welcome to take it easy Saturday night and make your way home on Sunday A.M.

No food will be provided this weekend. Campers have the benefit of creating a thrilling menu of steak and crab legs, or keeping it simple. Regardless, be prepared to clean up what you bring. Please check the program schedule when planning your meals to ensure you have enough time to prepare, eat, and tidy up.

For updates please refer to the Facebook site

<https://www.facebook.com/2017albemarledistrictcuboree/>

Programing:

****Camping and Campsites will be by Pack.** Each Pack will be assigned an area and should have a designated campsite entrance, gathering area, washing station, cooking, eating area and tent area.

**** There are four session slots** on Saturday for scouts and families to attend with their Pack. Packs will be assigned session times upon arrival. There will be 2 RANGE SPORTS (BB shooting, archery, and/or slingshots), FIRE BUILDING and FISHING. Unit Leaders must attend the sessions with their units and help the Volunteer Session Leaders run safe and engaging programs.

**** Saturday Evening Carnival** Each Pack will provide a carnival attraction on the main path on Saturday evening. Scouts and Families will mingle amongst the attractions. Ideas for Packs include: Sponge toss, Penny Toss, Knock 'em Over, Fortune Teller, etc. There are many exciting ideas on-line. Please keep prizes limited to healthy snacks, stickers, cards, patches etc. and **AVOID THE CANDY** and **NO WATER BALLOONS**.

Sunday

8:00 - 10:00AM Check-out (Clean up your areas and have a safe trip home!)

*9:00AM Flag lowering and non-denominational service

Check In

Plan on arriving between 5:00PM and 9:30PM on Friday (if you choose to camp Friday evening). If you plan to arrive on Saturday, please show up prepared for program and complete your registration between 7:00AM & 9:00AM and be ready for the 9:00 AM flag raising ceremony.

Upon Arriving

Check-in at the INFORMATION and FIRST AID STATION in the PAVILLION across from the camp office. We will verify the number of campers with your contingent, confirm paperwork is in order and assign you to a campsite. Please immediately find your Pack Leader and inform them of your arrival.

For camper safety, absolutely no vehicles will be allowed into camp unless they are packing or unpacking campsites during the following times: Friday 5-9pm, Saturday 7:00 to 8:45am, Saturday 4:30 to 6:00, p.m., Sunday 8:00 to 10:00 am. Vehicles are only allowed on paved roads and otherwise must be in the designated parking areas.

Check Out

Contingents may check-out after the conclusion of program on Saturday evening or stay until Sunday morning. Please come to the INFORMATION AND FIRST AID STATION to check-out. Have your camping area checked for cleanliness and please let your unit leader know of your property. Please check out by 10:00AM on Sunday.

Adult Leadership

Boy Scouts of America volunteers staff weekend events. The BSA is a volunteer run program. Every unit that participates in an event is expected to provide some form of contribution to the success of that event and activities conducted.

Safety

Emergency Procedures

It is essential for everyone's safety that every member of your unit fully understands that these procedures exist - their life, your life, or someone else's life could depend on it. Please be sure to follow only instructions delivered by the staff chain of command. Likewise, if an emergency arises, or is brought to

your attention, please notify the nearest staff member immediately so that we may launch the appropriate procedures. Do not attempt to resolve an emergency situation alone. Notify the nearest staff member.

Fires, Stoves, Tents & Open Flames

For safety reasons, there are to be **no open flames in tents**. This ban on open flames in tents includes a ban on the use of matches, candles, kerosene, propane or liquid lanterns in tents. Lighting in tents is to be provided by battery-powered lanterns or flashlights only. It is, however; acceptable to use a lantern under a dining fly. All cooking stoves are to be attended while they are burning. Fires are only to be built in portable above ground fire pits and must be extinguished so that they are cold to the touch when unattended. Spraying aerosol cans of any type (insecticide, deodorant, hair spray, etc.) are also prohibited in tents. The propellants in these products will damage the waterproofing treatment on the canvas or other materials.

Youth Protection Policies

Leaders are asked to review the Guide to Safe Scouting before attending camp and ensure compliance by their unit with policies as detailed in the Guide, particularly in respect of youth protection policies. Failure to comply with Guide to Safe Scouting and youth protection policies will result in disciplinary action. Key portions of the youth protection policies found in the Guide to Safe Scouting are reproduced below. Additional information on Safe Scouting policies are also contained elsewhere in this guide.

Adult leaders must respect the privacy of youth members and protect their own privacy at all times. Except in emergencies, adults and youth may not enter each other's designated sleeping and shower areas. No Scout may share a tent with an adult who is not his own parent or guardian.

Medical Matters

Medicals

According to BSA policy, all Scouts and leaders should complete an Annual Health and Medical Record form (parts A&B only) for all scouting activities. This is just the health history form (excluding the physician's portion). **IT IS THE RESPONSIBILITY OF THE UNIT** to obtain and maintain copies of these

forms for members of their unit for all activities they conduct. Medical forms will NOT be turned in at check-in. The official BSA form is located here: www.scouting.org/filestore/HealthSafety/pdf/whole.pdf.

Prescription Medications

All prescription drugs are kept and administered by the unit. It is to be kept in a secured location out of the reach of the children. If medication requires refrigeration, it can be checked in with the Health Officer at check-in. Provide a list of medications, dosage and to whom you are administering medication to when you check in with the Health Officer. By law, medications must be in a container with a typed label from the pharmacy. Medications will be given only in accordance with the label. Handwritten changes will not be accepted.

Medical Treatment

All injuries and illnesses, regardless of severity, must be reported to the FIRST AID PAVILLION **immediately**. This applies to all youth and adult campers.

The cost of medical treatment away from camp will be billed to the camper's primary insurance carrier. Registered Tidewater Council units are covered by supplemental insurance, which covers certain deductibles and other expenses for injuries and illnesses incurred at camp. Parents must make arrangements for treatment of pre-existing conditions. Tidewater Council's policy does not cover out-of-council units; those units need to submit a certificate of insurance from their home council or unit prior to arriving at camp. We recommend that this be done when making your final camp fee payment.

Before You Leave Home

Check to make sure you have all of the following:

Medicals: Check for completeness of parts A & B only.

*These will be the responsibility of the unit.

Fees Paid: Final payment is to be made.

Other: Review packing checklists and make sure Scouts have any special equipment needed for programs, and applicable unit equipment is packed.

Bicycles

Scouts and Leaders are permitted to bring their bicycles and helmets to camp. It is the responsibility of unit leadership leader to make sure that all bikes the unit brings are safe to use and properly maintained. Helmets must be worn at all times. Staff maintains the right to stop any Scouts riding around camp in a hazardous manner and hold bikes.

Alcoholic Beverages & Drugs

Alcohol and illegal drugs are strictly prohibited. Prescription drugs must be kept by the Unit in a secured location out of the reach of the children.

Cell Phone Policy

We request that Scouts and adults not take cell phones to program sessions or, at the very least, to turn them off during sessions. Use of cell phones during program sessions is inconsiderate to other participants and in some cases can be extremely dangerous (Scouts using axes, climbing, lighting fires, etc. should not be distracted by a ringing phone).

Electronic Devices

Radios, cell phones, CD players, video games, and other personal electronic devices distract from the camping experience and provide an inviting target for theft. **Do not bring them into camp.** If you permit them during travel to and from camp, please leave them in the car during your stay at camp. Youth campers are not permitted to have two-way radios or pagers in camp, as these have proven to be highly disruptive of the camp routine.

Initiations, Hazing & Military Training

Corporal punishment, hazing, initiation of any sort, military training and drills are not permitted in the Boy Scouts of America.

Leaving the Site

Anyone leaving the camp **at any time** during the event must sign out at the Camp Information and First Aid Station and sign in upon their return. We strongly discourage Scouts from leaving camp during the event. Scouts may only leave with a parent, guardian or other individual designated in writing by a parent. Photo IDs are required. An adult unit leader must accompany a Scout to the office to check out. Adults leaving camp must ensure that the unit still has two-deep leadership.

Money & Valuables

Each family is responsible for the safeguarding of their money and personal property. It is recommended that expensive cameras, watches, and personal entertainment devices be left at home. Regardless, all items should be clearly marked with name and unit number.

Pets

No pets are allowed in camp. Please ensure that anyone planning to visit your unit during the week is also aware of this rule.

Restricted Areas

Campers and families are restricted to their campsites, program areas while in use, and designated trails. Scouts and campers must be under direct supervision of their parents or unit leaders at all times. Please respect private property and locked camp facilities that are not in use.

Smoking

Anyone under 18 years old is prohibited from using tobacco in any form while at camp. This includes electronic cigarettes. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle.

Staff

Weekend events are staffed by volunteers. The Boy Scouts of America is a volunteer run program. **Every unit that participates in events are expected to provide adult leaders to help facilitate** the programming session, help at the information/medical tent, and provide a spectacular booth for the Saturday Carnival.

Trailers

During check-in, every unit is permitted to have one trailer at the perimeter of their campsite until checkout.

Uniform and Dress Code

The BSA field uniform (sometimes referred to as the Class-A uniform) is the encouraged uniform for **evening flag ceremonies**. Shirts that promote alcohol, tobacco, or are otherwise inconsistent with Scouting values are not allowed. Pack class B T-shirts are encouraged for all other parts of the program. Not having a uniform should not prevent any Scout from attending camp; however, every effort should be made to ensure that every Scout has one, using every means available such as unit and Council fund

raising activities, financial assistance from your chartered organization, recycling "experienced" uniforms, etc. Closed-toe shoes must be worn at all times.

Vehicles in Camp

For camper safety, during program sessions absolutely no vehicles will be allowed into camp unless they are packing or unpacking campsites during the following times: Friday 5-9pm, Saturday 7:00 to 8:45am, Saturday 4:30 to 6:00, p.m., Sunday 8:00 to 10:00 am. Vehicles are only allowed on paved roads and otherwise must be in the designated parking areas.

Weapons, Knives, Full Axes, Fireworks, Firearms

Personal firearms, ammunition, bows and arrows are not permitted in camp. Also, no water guns are permitted at camp.

Pocketknives may be carried by adult leaders and any Scout who has earned the Whittling Chip. Fireworks & firearms of any kind are prohibited in camp.

Photo Release Information

During the weekend, photographs or video footage may be taken for promotional purposes. If a parent does not wish for their child to be photographed, you must notify the Council office prior to your unit's arrival at camp. The parent must provide a signed letter stating that their child is not to be photographed. We will depend on the unit leader to make us aware of any individuals that may not be photographed once they arrive on the property. **PLEASE SHARE THIS INFORMATION WITH PARENTS.**

2017 Albemarle Cub-0-Ree

BOY SCOUTS OF AMERICA
TIDEWATER COUNCIL

2017 Albemarle Cub-0-Ree Camp Registration
Currituck Rural Center
