Leader Specific Training
May 8, 2021
Mary Jayne Breeden Council Center
1032 Heatherwood Dr., VAB 23455
Cost \$5.00**

Scoutmaster-Specific Training introduces you to everything you need to know about running a Scouts BSA Troop. In particular, you and your fellow adult leaders are now in more of a “mentor” position where your job is to help your youth members learn and practice leadership. While this training will not answer every single question you have, it is a great start. This course, combined with Youth Protection Training and the Introduction to Outdoor Leader Skills (IOLS) course, will make you an “fully trained” Scouts BSA leader.

What do you need to bring to the training sessions?

Every leader should bring a copy of the current Scoutmaster Handbook. If you don’t have one, please purchase or borrow one and bring it to the training session. Also, bring writing materials. You might want a binder or folder; so that you can keep the notes and handouts from these and other training sessions all in one place.
