April 8-10 and April 30-May 1, 2022

THE PURPOSE: 21st Century Wood Badge is the advanced training program for all BSA Leadership (Cub Scout, Boy Scout, and Venturing Leaders). Wood Badge is designed to train adult volunteer leaders and professional Scouters using the latest leadership skills. Techniques and skills learned will help you to be a better leader. Since 1919, Wood Badge continues to be the preeminent leadership training offered by the Boy Scouts of America.

WHO MAY ATTEND WOOD BADGE: To attend a Wood Badge course, Scouters must:

1. Be a registered member of the Boy Scouts of America and age 18 or older. There is no tenure requirement.
2. Have completed the basic position-specific training courses for your Scouting role.
3. Be capable of functioning safely in an outdoor environment. All participants are required to complete the Annual Health and Medical Record; Parts A, B, and C are required, which includes a physical. Part C is required for everyone, including people who are not present for more than 72 hours.

Because of the advanced nature of this training, the requirements above may not be waived.
