# 2022 Leadership Breakfast

# TODD HUSTON

Todd Huston was well on his way to becoming an Eagle Scout but at 14 he was injured in a severe boating accident that eventually led to his leg being amputated. Overcoming all the odds, Todd persevered and earned the rank of Eagle in 1976.

Relying on the foundation of Scouting, he accomplished the impossible, becoming the first leg amputee to climb the highest points of all 50 states and breaking the able body world record by an astounding 35 days. He is a recipient of the Distinguished Eagle Scout Award.
