

Cub Cruises!

Ahoy Scouts!

Sea Scout Ship 42 Invites you to Cruise the Chesapeake Bay on our Sail Boat!

This is a fun-filled introduction to our Sea Scouting program for Cub Scouts and their families held year after year! Participants will take a three hour cruise around the Chesapeake Bay and learn about our tidal habitat. Basic ship safety and operations will also be covered. Each participant will receive a commemorative patch. The Sea Scouts are part of the BSA and focus on teaching young men and women maritime skills.

Cub Cruises are available to all Cub Scout Packs in Tidewater Council. There are no set dates. Contact Sea Scout Ship 42 to arrange a suitable date and time for your Pack.

Sea Scouts is a program of the BSA for young men and women 14 years of age, or 13 years of age and completion of the eighth grade. The maximum age for participation is under 21 years of age. The purpose of Sea Scouts is to bring a program of character building, citizenship training, and personal fitness to the youth of America.

Sea Scouts started in 1912 and has a long and colorful tradition. Thousands of young men and women have had the opportunity to follow the traditions of the sea while learning what the future holds, whether it's a career related to the sea or a lifelong hobby of recreational boating.
