The ticket vouchers must be exchanged for seat tickets at the Harbor Park Ticket Office. Vouchers can be exchanged in advance or the night of the game. We strongly encourage groups to exchange vouchers in advance to ensure everyone sits together.

Guests must adhere to all Harbor Park policies, including the Fan Code of Conduct and the new Clear Bag Policy.

OPENING CEREMONY

To participate in the opening ceremony, Scouts and leaders must have purchased their ticket through the Scout Shop, be in uniform, and be lined up by 6:00 PM at the back center field gate of Harbor Park. Participants will line up on the outfield warning track prior to the start of the game for the National Anthem. Participants will be escorted off the field after the completion of the Anthem.

Units are encouraged to carry their flags on the field.

Only uniformed Cub Scouts, Scouts BSA, Venturers, Sea Scouts, Explorers, and leaders are permitted on the field. Make sure to hang on to your game tickets for re-entry.

CAMPING

Camping space is limited to the first 500 Scouts and Scouters. Camping vouchers only are refundable in the event that Harbor Park cancels.

To camp at Harbor Park, you must follow the Guide to Safe Scouting procedures.

This is a family camping opportunity. Family members may accompany their Scout to camp overnight at the Harbor Park. A camping voucher is needed for each person and is only available through the Tidewater Council Scout Shop. Non-Scout siblings **MUST** be potty-trained.

After the game, exit the stadium and collect your camping supplies from your vehicle. To re-enter the stadium, return to the back center field gate and present your camping voucher. Bags and items brought into Harbor Park are subject to search.

Additionally, only tents without stakes are permitted; no ICE coolers, BUG SPRAY, or kerosene is allowed on the field.

Each youth and adult must have their own voucher to enter.
