

KEEP COSTS DOWN, TELL THE SCOUTING STORY

Family Friends of Scouting provides funding for camps, training, literature, the Scout Shop, professional and volunteer support, liability insurance for leaders, accident insurance for Scouts, and many other services.

Volunteers will update your families about the efforts and successes the Tidewater Council, in serving your unit and showing just where the money goes and the significance of supporting Scouting through this effort.

When Units renewed charters in 2019, it cost \$45 per person for the Council Program Fee. Thanks to increased Friends of Scouting giving, we were able to reduce it to \$24 per person, with the ability to get special assistance for those who cannot afford it.

We look forward to sharing the story of what Scouters throughout the council are doing to keep the infrastructure of Scouting in place for your unit and how your families can join us!

In coordination with the unit committee, provide a primary date and a secondary date for the district to conduct a Friends Of Scouting (FOS) presentation. The best success for FOS presentations is an event where youth and parents attend (like courts of honor or blue & gold banquets).

Please fill out the below information and turn it in with your Recharter Packet:

Circle District: Albemarle Bayside Princess Anne Three Rivers

Unit Type: Pack Troop Crew Ship **Unit Number:** _____
