

# STEM/ENGINEERING & CONSTRUCTION CAMPS

## Summer 2024 STEM Camps - Scholarships Available!

### Looking to engage in hands-on learning and fun?

SAME offers week-long summer STEM/Engineering & Construction Camps open to all eligible high school students! (Must be at least 15 years of age to apply: rising sophomore, junior, or senior.)

Led by industry professionals and other volunteers from the military and engineering community, the SAME Camps Program focuses on hands-on, project-based learning that provides students with opportunities to begin exploring STEM fields, including science, engineering and construction as well as technology and the environment; work together in teams; and chart a course for future education, leadership, and workforce opportunities.

The camps each feature many dynamic activities, including building concrete beams and dog kennels, operating drones and remote-controlled underwater vehicles, using survey equipment, constructing and racing cardboard boats, and more!

### CAMP HIGHLIGHTS:

- Camps last one week. SAME Hampton Roads offers scholarships for reimbursements up to the full costs of the camp for local students..
- Scholarships for campers including travel costs are available.
- **Select Hampton Roads Post when applying.**
- **Email Adam Walker- AWWAENG@GMAIL.COM with questions.**
- Camps offered at six locations/bases. Lodging & all meals are provided.
- Camps held in June and July; all are overnight camps.

Campers are selected by SAM Posts from around the country, which often provide offsetting financial support toward camp tuition. Each year, more than 75 percent of campers receive over half their costs paid.

**Application Deadline: March, 15, 2024**
