

Application Deadline: March 12th, 2025

STEM/ENGINEERING & CONSTRUCTION CAMPS

STEM Summer Camp- Attendance Costs Covered!

Looking to engage in hands-on learning and fun?

SAME offers week-long summer STEM/Engineering & Construction Camps open to all eligible high school students! See the application site or scan the QR code below for more details.

Led by industry professionals and other volunteers from the military and engineering community, the SAME Camps Program focuses on hands-on, project-based learning that provides students with opportunities to begin exploring STEM fields, including science, engineering and construction as well as technology and the environment; work together in teams; and chart a course for future education, leadership, and workforce opportunities.

The camps each feature many dynamic activities, including building concrete beams and dog kennels, operating drones and remote-controlled underwater vehicles, using survey equipment, constructing and racing cardboard boats, and more!

CAMP & SPONSORSHIP HIGHLIGHTS:

- The Society of American Military Engineers(SAME) Hampton Roads Post is offering sponsorships to attend 1 of 5 summer STEM camps available. This includes the full costs of the camp and reimbursement up to all travel costs for local high school students.
