If you have just completed a tour as a Cubmaster, Scoutmaster, or any other adult Scouter position and want to continue to service Scouting in a different capacity, consider becoming a Unit Commissioner.

A Unit Commissioner normally supports three units and draws on your experiences to help new leaders provide the Scouting program to their unit. Unit Commissioners are the “behind-the-scene” support that ALL units need. Commissioners are district and council leaders who help Scout units succeed. They coach and consult with adult leaders of Cub Scout packs, Scout BSA troops, and Venturing crews. Commissioners help maintain the standards of Scouting America.

Join us at College of Commissioner Science to learn how to serve this important and fulfilling role in Scouting. It is also a good time to fellowship with other Scouters!

Lunch is included with \$20 event registration.

Registration opens June 28, 2026
