

2013 Pipsico Cub Camps mad SCIENTIST CONVENTION!

Dear Cub Scouting Family,

Pipsico is one of your year-round Tidewater Council camping facilities. It is 900+ acres and located along the James River in Surry County. Pipsico is diagonally across the river from the Jamestown Settlement; near Williamsburg and Busch Gardens. It has been a busy place since the 2012 summer camping season came to an end. We are YOUR local camp. We want to be innovative, responsive, and inspiring. Your family/Cub Scout Pack is invited to attend events throughout the year, camp recreationally, and join us for one (or more) of our summer Cub Camps.

What big "stuff" has changed since the summer of '12 you may ask. Well, let us share:

- Camp dates have shifted to overlap with weekends more. This should help reduce the amount of time "big kids" need to take off from work.
- Summer camp is now more "family-friendly" and welcomes siblings to summer camp. Cub Scouts & siblings will go through programs separately. Parents are expected to care for siblings aged 5 and younger.
- Tigers can now participate in summer camp! Wohoo!
- We are dropping the reference to "Cub Camp" & "Webelos Camp." Instead, we will refer to them as the 3-night camp and the 5-night camp. The 3-night camp is highly recommended for Tigers, Wolves & Bears (but is "Webelos-friendly"). The 5-night camp is highly recommended for Webelos (but is Tiger, Wolf & Bear friendly). Families need to be the best judge for the program best for them. Please keep in mind that 5-nights of camping can be a long time away from home for some of the "little guys."
- More academic and sports awards will be offered at the 3-night Cub Camp.
- The 5-night camps will incorporate more activity badges into the program (where Pipsico's facilities and equipment are especially suitable for those badges), such as, aquanaut, artist, athlete, craftsman, forester, geologist, handyman, outdoorsman, readyman, and scientist.
- The theme for Cub Camps '13 is "mad scientists" so dust off your old lab coat and get ready for the summer **mad SCIENTIST CONVENTION!**

Sincerely,

Evan W. Sommerfeld
