

Pipsico Scout Reservation

Beaver Day Sign-up

Beaver Days are work weekends at Tidewater Council's very own Pipsico Scout Reservation. Projects vary greatly from light to heavy duty labor. Current projects include painting buildings, building a wood shop, building an archery pavilion, re-roofing shingled structures, campsite maintenance, and other conservation/beautification projects.

These are FREE CAMPING weekends coordinated by the Reservation Ranger, Jenny Sommerfeld, as large-scale service weekends. Food is not provided. Packs, Troops, Crews, and Posts may participate in Beaver Days. Our camp is what we make it and everyone is invited.

Ranger Jenny may be contacted at pipsico@me.com or (757) 294-3912.
