PIPSICO SCOUT RESERVATION RIFLE DONOR FORM

Tidewater Council, Boy Scouts of America, 1032 Heatherwood Drive, Virginia Beach, VA 23455

When a youth uses a rifle for the first time, which many of our Scouts do, it is good to instill in them that they can perfect their aim by knowledge, following example, and practice. There are some wide variances in how they make rifles and although you can spend a lot of money on even the simplest of rifles, its always good to have one that works well.

In short, no one saves money by going inexpensive or cheap. Doing so can easily result in rifles that jam quicker, are harder to adjust, and prevent youth from earning their merit badges and NRA awards for reasons beyond their control. At Pipsico we would like to take the rifle out of the equation and only have individual ability as the difference. We have researched the market and screened rifles against the Boy Scouts of America standards based on Boy Scout criteria. A specific Marlin model has been identified (image in this article), which sells for approximately \$225. It is our expectation to have ALL identical rifles.

If you would like to donate one of these rifles or an amount equivalent to one of these rifles...your name will go on the rifle as a sponsor.

Questions may be directed to the camp director, Evan Sommerfeld at <u>esommerf@bsamail.org</u>.

Please fill out and mail with your contribution of \$225 to: Tidewater Council, Boy Scouts of America, 1032 Heatherwood Drive, Virginia Beach, VA 23455
