

# SCUBA Camp

## Pipsico Scout Reservation

Pipsico is located in Surry County, Virginia. It encompasses more than 900 acres of woodland, open fields and marshes. The terrain includes a natural ravine system and ranges in elevation from 20 to more than 100 feet above sea level. Pipsico's northern boundary extends for a mile and half along the banks of the historic James River.

Cliffs 60 to 75 feet high overlook a picturesque mile long sandy beach and several cypress tree coves. The cliff walls are studded with marine shells and fossils providing tangible evidence of the James River's influence on life over the centuries. The beach has proven to be a beach comber's delight for discovering nautical treasures like shark teeth, prehistoric whale bones, driftwood and a peaceful observation site for beautiful shoreline sunrises and sunsets.

## SUMMARY

SCUBA camp is an SSI Open Water Diver certification program with classroom instruction, confined-water diving, and open-water diving. The Tidewater Council has contracted the best SCUBA instruction in Hampton Roads.

Upon arrival participants must be able to pass a SCUBA swim test, which includes a 200-yard swim and a 10-minute surface float without aid. **Participants are required to bring their own own fins, mask, snorkel, boots, mask defogger, and mask cleaner. It is critically important that participants dive gear is SCUBA grade AND NOT snorkeling grade. Participants may borrow their dive gear from friends or family, purchase it from a local dive shop, or take advantage of a gear package from our contracted dive shop; the Chesapeake Bay Diving Center (<http://www.cbdcscuba.com>).**

Those who wish to complete SCUBA merit badge must have already earned swimming merit badge prior to arrival at camp. Camp fees include the rental of the remaining the remaining equipment (air cylinders, buoyancy compensator, regulator, wetsuit, weight belt, and weights).

Participants will camp with their own unit (if they attend with a unit) except for Wednesday and Thursday night when they will be camping at Lake Phoenix. Individual participants will be assigned a host unit to camp with. Please bring an additional overnight bag to keep clothes and other personal items in for two nights at Lake Phoenix.

All meals except for dinner Wednesday dinner through Friday lunch will be prepared and served at Pipsico. The remaining meals are off-property, but covered in the camp fees. Please let us know ahead of time if there are any special dietary requirements that need to be accounted for.

All classroom and confined water dive activities will take place at Pipsico. At the end of the last academic session, on Wednesday, there will be a test. In order to continue onto the open water diving at Lake Phoenix participants must score at least 80 percent.

### SCUBA CAMP AT A GLANCE

This is a general summary of the week. Note that this schedule is subject to change depending on weather and other outside factors.

#### SUNDAY

- Check-in
- Program orientation
- Opening campfire

#### MONDAY

- Academic sessions
- Confined-water diving

#### TUESDAY

- Academic sessions
- Confined-water diving

#### WEDNESDAY

- Academic sessions
- Academic testing
- Early PM travel to Lake Phoenix

#### THURSDAY

- Open-water diving at Lake Phoenix

#### FRIDAY

- AM open-water diving at Lake Phoenix
- PM travel back to Pipsico
- Closing campfire

#### SATURDAY

- Check-out

### IMPORTANT

SCUBA Camp is a lifelong certification as an SSI Open Water Certified Diver. The credentials are accepted internationally as one of the premier certifications. Participants in the beginner program may also earn the SCUBA merit badge.

---

**ARRIVAL & DEPARTURE****CHECK-IN**

Plan on arriving between 1:00PM and 4:30PM on Sunday. Upon arriving at Pipsico, follow the signs for Lions (a sub-camp of the Pipsico Scout Reservation) and park in the main parking lot in front of the Burton Center. If you plan to arrive late, please notify us in advance so special arrangements can be made. If you are delayed on the way to camp, let us know. At initial check-in, we will verify attendance records and confirm paperwork is in order. Pre-ordered t-shirts will be distributed at this time. Then you will meet your Staff Guide, who will escort you through the remaining check-in procedures:

- Gear drop at campsite.
- Dining Hall, where you will turn in Health Record Forms with the Health & Safety Officer.
- Dining Hall for a brief orientation on mealtime procedures.
- Pool for swim checks.
- Your campsite to unpack and get settled for the week.

During check-in, your Camp Guide will point out our program areas. After dinner, at 6:45 in the evening, participants will go to the meet for introductions, and program orientation.

***Participants must pass the SCUBA swim test at check-in.***

---

**CHECK-OUT**

After the campfire Friday night, campers are encouraged to come to the Burton Center (camp office) to review their checkout packets for completeness. This is the time to make sure you have everything needed, and to resolve any questions. Plan on leaving between 8:00 and 10:00 AM on Saturday. A continental breakfast will be served between 8:00 and 9:00 AM. One vehicle at a time may enter the campsite to load gear, no earlier than 7:30 AM. Once your gear is packed out and your campsite and latrine are clean, a staff member will inspect the campsite and release you from camp. Once you have been checked out of your campsite and picked up your health records and medications from the Health Lodge, we will distribute participant patches.

**MONEY****WEEKS OF OPERATION**

Week 1 June 26 - July 2

Week 2 July 3 - July 9

Week 3 July 10 - July 16

Week 4 July 17 - July 23

Week 5 July 24 - July 30

**HIGH ADVENTURE RATES**

Regular \$525 Sail Hampton Roads

Regular \$415 PEX

Regular \$550 SCUBA Camp

Regular \$285 Scout vs Wild

**EARLY DISCOUNT**

\$20 off if \$100 deposit made by 2/29

AND paid in full by 4/1.

**LATE FEE**

Add \$25 if not paid in full by 6/1.

**MAKING YOUR RESERVATION**

Participants may reserve space for their by making an initial non-refundable deposit of \$100 per camper. Deposits will be applied to the final balance due. The high adventure reservation form can be downloaded here:

<http://pipsicobsa.com/resource-bank/>

**REFUND POLICY**

In cases of death of an immediate family member, sickness or injury, or military transfer, we will refund all but \$100 of fees paid until 6/1 when verified by a physician, military commander, or such official. Reasons such as vacation schedule, summer school, and last minute changes of mind are not acceptable reasons for refunds. Camper deposits are transferrable within a unit, but are not refundable. After 6/1 no refunds are available for any reason.

**SCHOLARSHIPS**

Our mission to make summer camp available to every Scout. A limited fund is available to provide assistance to Tidewater Council Scouts who would

otherwise be unable to attend. Scouts are expected to participate in council and unit fund raising programs to help pay the cost of camp.

**VERY IMPORTANT**

Before you leave home, make sure everyone has a complete & current BSA medical form (parts A, B & C). All summer camp participants are required to have a complete BSA medical form (parts A, B & C). This is an annual form that expires at the end of the month a year after the previous BSA medical form was completed.

[Download form here](#)

MORE INFORMATION IS AVAILABLE AT  
[WWW.PIPSIKOBSA.COM](http://WWW.PIPSIKOBSA.COM)

PEX (Pipsico Experience)

The PEX program is an adrenaline sampler if we may be so bold. PEX was designed by teenagers; for teenagers.

Campers rotate through a series of programs such as canoeing, tubing, rifle, shotgun, airsoft, tomahawk, climbing, fishing, cooking, and pool partying! There will be four off-site experiences to include fishing head-boat trip in the Chesapeake Bay, a casual stroll through colonial Williamsburg, high COPE, while concluding their week at Busch Gardens.

PEX, SCUBA Camp, and Sail Hampton Roads are CO-ED and available to Boy Scouts, Venture Scouts, Explorers, youth and adults.

SCOUT VS WILD

The emphasis for Scout vs Wild is to instill a genuine appreciation for natural resources, teamwork, resourcefulness, and survival skills.

Scout vs Wild is an all terrain adventure through hardwood forests, pine forests, open fields, along the James River, within ravine systems, and next to natural swamps.

Activities will occur in various settings, to include, skills challenges, educational demonstrations, and team exercises. During their adventure, Scouts will make tools to complete challenges and will navigate between activities by land navigation, orienteering, GPS, established trails, and afloat.

Scouts must be physically prepared for this adventure. Participants who are not physically prepared will be removed to base camp.

SAIL HAMPTON ROADS

This is a full week of sailing and nightly port visits on the James and Elizabeth Rivers plus a stop over along the southern Chesapeake Bay.

Monday morning after breakfast, crews will muster, stow gear and make ready for travel to board the sail boats. Setting Sail, the group will head towards ports in Cape Charles, Hampton, Smithfield, and Norfolk.

Each port visit will provide a variety of fun, interesting, and educational experiences. Stops along the way include but are not limited to: A tour and dinner in historic Cape Charles, a stop in Hampton River, a seafood dinner at Smithfield Station Marina, a tour of Nauticus and the battleship Wisconsin at the City of Norfolk and lastly a lunch tour at the historic Fort Wool at the mouth of Hampton Roads.

---

## FACILITIES

### CAMPSITES

Every campsite in Pipsico is divided into patrol sites. Larger units will have a campsite to themselves, while smaller units may share a campsite, each occupying their own patrol site(s). Every campsite has a common latrine facility. Every latrine has a washstand with running water for washing and drinking. Hot showers are available at the pool, the Shower House between campsites 8 and 9, and the women's shower adjacent to the pool.

The tents are equipped with two army-style cots each. For your sleeping comfort, we recommend each camper bring a mosquito net and poles to support it (these may be lashed or taped to the cot legs.) Mosquito nets are also available in the Trading Post.

There is a trash can at each latrine. Each latrine also has a shovel, rake, and hose that serve as fire-fighting equipment; the hose serves double duty for daily cleaning of the latrine.

Bulletin boards will have a Fireguard Chart, which you should fill out upon arrival. Most campsites have an established fire ring, where you are welcome to have unit or patrol campfires in the evenings. Do not dig into the ground to form fire pits. There is ample dead wood on the ground around camp, which you are welcome to cut and burn; do not cut any standing trees or saplings, dead or alive. For safety, you should establish a properly marked ax yard.

Each campsite has platform tents for two. Platforms measure 9ft x 7ft and are equipped with two cots. Campsites have latrines with wash stands, designated fire pits, picnic tables, message boards. Personal tents ARE permitted.

## HEALTH & SAFETY

### MEDICALS

All Scouts and leaders must submit a copy of their BSA Annual Health and Medical Record form (parts A, B & C) to the camp Health Officer during check-in. Anyone staying in camp overnight must have a BSA physical form on file at the Health Lodge. The official BSA form is located here: [www.scouting.org/filestore/HealthSafety/pdf/whole.pdf](http://www.scouting.org/filestore/HealthSafety/pdf/whole.pdf). Anyone reporting to camp without a current physical will be required to get one at his or her own expense within 72 hours. Please make sure you bring copies of current physicals with you for all unit members attending camp! Physicals expire at the end of the month one year after signed by a physician (for example, a physical signed 6/3/12 expires 6/31/13). Physicals must be valid for the duration of camp. SCUBA Camp participants must also bring a completed RTSC Medical Statement available for download from our resource bank here: <http://pipsicobsa.com/resource-bank/>.

### EMERGENCY PROCEDURES

The Tidewater Council maintains emergency procedures to meet, and in some cases, exceed the standards set by the Boy Scouts of America. It is essential for everyone's safety that every member of your unit fully understands that these procedures exist - their life, your life, or someone else's life could depend on it. It is also part of the BSA's national standards that we conduct an emergency drill during your stay at camp. Please be sure to follow only instructions delivered by the staff chain of command. Likewise, if an emergency arises, or is brought to your attention, please notify the nearest staff member immediately so that we may launch the appropriate procedures. Do not attempt to resolve an emergency situation alone. Notify the nearest staff member.

### FIRES, STOVES, TENTS & OPEN FLAMES

For safety reasons, there are to be no open flames in tents. This ban on open flames in tents includes a ban on the use of matches, candles, kerosene, propane or liquid lanterns in tents. Lighting in tents is to be provided by battery-powered lanterns or flashlights only. It is, however, acceptable to use a lantern under a dining fly. All cooking fires, campfires and stoves are to be attended while they

are burning. Fires are only to be built in designated areas and must be extinguished so that they are cold to the touch when unattended. Spraying aerosol cans of any type (insecticide, deodorant, hair spray, etc.) are also prohibited in tents. The propellants in these products will damage the waterproofing treatment on the canvas.

### YOUTH PROTECTION

Leaders are asked to review the Guide to Safe Scouting before attending camp and ensure compliance by their unit with policies as detailed in the Guide, particularly in respect of youth protection policies. Failure to comply with Guide to Safe Scouting and youth protection policies will result in disciplinary action.

Units must have at least two adults in camp at all times; at least one must be registered with BSA, and at least one must be 21 or older. Units may rotate leaders, provided the incoming and outgoing leaders follow the prescribed check-in and checkout procedures at the camp office. The two leaders need not be together nor in the campsite at all times. However, one youth may not be alone in the campsite (or anywhere else in camp) with an adult who is not his parent or guardian. This situation may be avoided by strict adherence to the buddy system and BSA's Youth Protection guidelines.

We recommend that every unit have a "buddy board" or other tracking system in the campsite so Scouts may be easily located at all times. Every Scout should be with a designated buddy at all times when outside the unit's campsite. Except for a parent or guardian, an adult cannot be a Scout's buddy. A Scout may be without a buddy only when he is traveling between merit badge sessions and no other Scout from his unit or from the previous merit badge session is going his way. This exception will only be allowed during scheduled rotation times, and only on the most direct route between program areas.

Adult leaders must respect the privacy of youth members and protect their own privacy at all times.

## HEALTH & SAFETY

Except in emergencies, adults and youth may not enter each other's designated sleeping and shower areas. No Scout may share a tent with an adult who is not his own parent or guardian.

### PRESCRIPTION MEDS

All prescription drugs are kept and administered by the unit. It is to be kept in a secured location out of the reach of the children. If medication requires refrigeration, it can be checked in with the Health Officer check-in. Provide a list of medication, dosage and to whom you are administering medication to when you check in with the Health Officer. By law, medications must be in a container with a typed label from the pharmacy. Medications will be given only in accordance with the label. Handwritten changes will not be accepted.

### ALLERGIES & MED. NEEDS

All individuals, youth and adult alike, who have allergies or special medical needs (e.g. asthma), must be brought to the attention of the Camp Health Officer. Unit leaders who have individuals with special dietary requirement or food allergies should contact the Food Service Director at check-in to discuss food requirements.

Pipsico is open to any registered member of the Boy Scouts, and every effort will be made to accommodate special needs. Food allergies/intolerances need to be reported in advance of camp to give the food service staff adequate opportunity to prepare alternate menus. Vegan diets cannot be accommodated. Vegan campers will need to bring meal supplements for their time at Pipsico. Please contact the staff closer to camp to make necessary arrangements.

While summer camp is a totally different experience from school, the need for discipline, attentiveness, and social interaction is much the same. If a Scout uses medication during the school year to manage behavioral conditions such as ADHD, we strongly encourage that he continue on those medications during camp.

### MEDICAL TREATMENT

All injuries and illnesses, regardless of severity, must be reported to and treated at the Health Lodge immediately. This applies to all campers, youth and adult. The Health Officer is required to keep a log of all injuries or illnesses. Pipsico has a Health Officer on duty at all times. Other key staff members are also trained in first aid and CPR. In the event of serious medical problems, the camp has agreements with the Surry County Rescue Squad, a medical treatment facility in Smithfield, and local hospitals in Suffolk and Hopewell.

The cost of medical treatment away from camp will be billed to the camper's primary insurance carrier. Registered Tidewater Council units are covered by supplemental insurance, which covers certain deductibles and other expenses for injuries and illnesses incurred at camp. Parents must make arrangements for treatment of pre-existing conditions. Tidewater Council's policy does not cover out-of-council units; those units need to submit a certificate of insurance from their home council or unit prior to arriving at camp. We recommend that this be done when making your final camp fee payment.

---

**GENERAL****BICYCLES**

Scouts and Leaders are permitted to bring their bicycles and helmets to camp. It is the responsibility of the Unit leader to make sure that all bikes the Unit brings are safe to use and properly maintained.

**CELL PHONES**

We would request that Scouts not to take cell phones to program sessions or, at the very least, to turn them off during sessions. Use of cell phones during program sessions is inconsiderate to other participants and, in some cases can be extremely dangerous (Scouts using axes, climbing, lighting fires, etc, should not be distracted by a ringing phone).

**CONTACT INFORMATION**

One of the best remedies for homesickness is regular mail from home. Mail will be placed in the unit mailbox at the camp office. Outgoing mail may be deposited at the camp office; it is picked up daily after breakfast. Mail service usually takes two to four days, so encourage parents to send the first mail by the Friday before you come to camp. Use the following address:

Scout's name and Unit  
57 Pipsico Road  
Spring Grove, VA 23881

**ELECTRONIC DEVICES**

Radios, cell phones, CD players, video games, and other personal electronic devices detract from the camping experience and provide an inviting target for theft. Do not bring them into camp. If you permit them during travel to and from camp, please leave them in the car during your stay at camp. Youth campers are not permitted to have two-way radios or pagers in camp, as these have proven to be highly disruptive of the camp routine.

**LEAVING CAMP**

Anyone leaving the camp at any time during the week must sign out at the camp office and sign in upon their return. We strongly discourage Scouts from leaving camp during the week. Scouts may only leave with a parent, guardian or other individual designated in writing by a parent. Photo IDs are required. An adult unit leader must accompany a Scout to the office to check out. Adults leaving camp must ensure that the unit still has two-deep leadership.

**MONEY & VALUABLES**

Each family must decide how much spending money a Scout should take to camp. Each Scout is, however, responsible for the safeguarding of his money and personal property. It is recommended that expensive cameras, watches, and personal entertainment

---

## GENERAL

devices be left at home. Regardless, all items should be clearly marked, with the boy's name and unit number.

### PETS

No pets are allowed in camp. Please ensure that anyone planning to visit your unit during the week is also aware of this rule.

### PROVISIONAL CAMPERS

If a Scout is unable to attend camp with their own unit, or wants to attend a second week of camp, we can arrange for them to attend camp with another unit. Fees for provisional campers are the same as for other Scouts. On occasion, we ask a unit to include a provisional camper in their unit for the week at camp. In such cases, we require that a parent or guardian meet with the unit's camp leader prior to camp or during check-in.

### RESTRICTED AREAS

The following areas are off limits to all campers: The ranger's home and maintenance areas, camp staff living areas, the kitchen and food storage areas (except for authorized adult volunteers,) any program area where staff is not present, and the cliffs along the James River. Scouts may visit the waterfront for beach combing or fishing only when staff is present or when accompanied by an adult leader.

### SMOKING

Anyone under 18 years old is prohibited from using tobacco in any form while at camp. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle.

### STAFF

We work hard to recruit and train the best possible staff to provide a dynamic program in support of your unit. All have been selected based on Scouting skills, leadership experience, enthusiasm, and

maturity. They have one of the most demanding jobs imaginable, and they do it cheerfully because they love Scouting. They have made personal sacrifices to be here for you.

As we all do, they occasionally make honest mistakes or judgment errors, and will work hard not to repeat them. In such cases, do not confront them or intervene in their work unless there is an immediate safety concern. If you feel that the performance of any staff member does not meet the highest standards of Scouting, please see the Camp Director or Program Director immediately.

### SWIM TESTING

Under the current BSA Policy on swim tests, units may, if they choose to do so, conduct swim tests before arriving at camp. The details of how to conduct these tests at the unit level are included in the appendix to this guide. Units that do not conduct swim tests before camp will still have the opportunity to complete swim tests on Sunday. Please remember that it is imperative that each Scout and adult who plans to be in or on the water during the week completes this swim test.

### TELEPHONES

A phone for outgoing calls is available at the Burton Center. An adult leader must be present for a Scout (with his buddy) to use this phone. Calls must be collect or by calling card, and must be limited to five minutes. Should anyone need to contact a camper on an important matter, the number is (757) 294-3912.

This is our business phone, and cannot be tied up with personal calls, so parents will not be able to speak to their children on this line. Phone messages will be placed in the unit mailbox; emergency messages will be delivered as soon as possible. If adult leaders need to receive regular calls at camp, bring a cell phone or pager, or make arrangements to check with their office on a regular schedule.

---

## GENERAL

### TRADING POST & MONEY

In addition to program materials, our Trading Post offers a variety of snacks and drinks, and a wide selection of camping supplies, Scouting materials, and special Pipsico souvenirs. In addition to money for program fees, we recommend each Scout have some extra cash for camping supplies, snacks and souvenirs at the Trading Post (about \$50).

### TRAILERS

Parking will be at the Burton Center; One vehicle may move equipment to the front of each campsite-not past the post. **NO VEHICLES ARE ALLOWED TO STAY IN CAMP.** If your unit has a trailer, check in with the office, place your trailer at the entrance of your site, then promptly move the towing vehicle to the parking lot. **PARKING ON THE ROAD IS NOT PERMITTED.**

### UNIFORM & DRESS CODE

The BSA field uniform (class A) is the expected uniform for retreat ceremonies. At other times, we encourage campers to wear an activity uniform including Scout shorts, Scout belt, and a casual shirt or T-shirt with a Scouting theme. Shirts that promote alcohol, tobacco, or are otherwise inconsistent with Scouting values are not allowed. Note that appropriate uniforms are a criterion for the Honor Unit Award.

The camp Trading Post has a limited selection of uniform items including socks, belts, and T-shirts.

Not having a uniform should not prevent any Scout from attending camp; however, every effort should be made to ensure that every Scout has one, using every means available: unit and Council fund raising activities, financial assistance from your chartered organization, recycling "experienced" uniforms, etc.

Closed-toe shoes must be worn at all times, including during activities at the waterfront. Scouts taking waterfront merit badges should bring an extra pair of sneakers or water shoes to wear during those

activities. The only exceptions are while in a shower building, inside the pool perimeter fence, or in bed.

### VEHICLES IN CAMP

While camp is in session, all Scouts, leaders, and visitors are prohibited from driving past the gate in front of the Health Lodge. One vehicle will be allowed to your campsite during check-in to drop off unit gear. As soon as it is unloaded, it must be promptly moved to the Burton Center parking lot.

### VISITORS

Visitors are welcome at any time between 9:00 AM and 9:00 PM. Normally, the best time to visit is on Family Night (Friday). Visitors must sign in at the camp office upon arrival and sign out upon departure. Visitors must be escorted at all times by either a member of the camp staff or a registered camper from their own unit. All visitors must be wearing appropriate clothing (consistent with scouting values), including closed toe shoes.

For those unexpected visitors, meal tickets may be purchased at the Trading Post after checking in at the Burton Center. The cost for guest meals is \$5 for those aged six and up. Children under the age of six are free. Reservations and meal payments may be made when your unit checks in on Sunday. After dinner, visitors are encouraged to attend the campfire with their scouts.

### DANGEROUS STUFF

Pipsico provides all necessary and appropriate equipment for our shooting programs. Personal firearms, ammunition, bows and arrows are not permitted in camp. Also, no water guns are permitted at camp. Sheath knives are prohibited in camp by Tidewater Council policy. Pocketknives may be carried by adult leaders and any Scout who has earned the Totin' Chip. Fireworks & firearms of any kind are prohibited in camp. LEO's please notify the council prior to camp of any special requirements by your department.

## EQUIPMENT LIST

### INDIVIDUAL SCOUT EQUIPMENT

- |   |   |
|---|---|
| <input type="checkbox"/> Sneakers or Hiking Boots           | <input type="checkbox"/> Mosquito Netting (optional)        |

AROUND PIPSICO

Pipsico is located in Surry, VA just across the river from the Jamestown Settlement in a very historical part of Virginia. The Hampton Roads area is home to 18 of 25 of Virginia’s top tourist attractions. There is no shortage of amusement to be found for those interested in American history and heritage; while the area still boasts an abundance of hot spots for thrill seekers.

If your Pack, Troop, Crew, Ship, or Post is Visiting Pipsico for summer camp, feel free to come early or stay a little longer and soak up some of the local amenities.
