SUBMITTING MERIT BADGE REQUESTS

1. Merit badge requests should be coordinated by one designee for each contingent. We cannot accommodate individual merit badge enrollment requests for Troops.
2. Units are asked to submit merit badge requests digitally; either by submitting the MB worksheet from our web page, or by using any similar format.
3. Please email merit badge requests to Evan Sommerfeld at evan.sommerfeld@scouting.org & COPY Pam Vickrey at pam.vickrey@scouting.org.
4. Merit badge requests are only entered into the Pipsico database when campers are PAID IN FULL.
