

# Pipsico Scout Reservation Beaver Day Sign-up

Beaver Day is a chance for everyone to help make Pipsico Scout Reservation a more beautiful and useful camp for all to enjoy. The Reservation needs your help to keep its camping areas and structures useful to everyone for years to come.

There are projects for everyone, skilled and unskilled alike. Whether you are a master carpenter, an amateur gardener or lawyer, you can all be "Busy Beavers" on a project of your choice. Useful equipment to bring includes weed eaters, hand tools (rakes, bow saws, axes, etc.), and/ or portable power tools. Chainsaws and experienced operators are also needed (all Personal Protective Equipment must be used, chaps, hardhat, ear & eye protection and operator must go thru Pipsico's [Chainsaw Safety](#) Course before work begins)

In exchange for service hours, camping from Friday at 5PM to Sunday at 11AM is at no cost. These opportunities are referred to as "Beaver Days" and are the ONLY free camping opportunities at Pipsico. Units may use these service hours for their Journey To Excellence (JTE) scorecard and for youth rank advancement (except Eagle Scout service projects).
