1	Two Piece Tinned Steel Container (tobacco or Altoids Mint tin stripped of paint, polished and clear coated), 3 3/4" x 2 5/16" x 15/16"	Excellent
Notes		
1	Can use striker strip from Coleman waterproof matches	
2	Speak with your parents and get permission about all medications before including them in your kit. Discuss proper use and dosages. All drugs and many medical supplies have a limited useful shelf-life. <u>Keep track of expiration dates and replace as required</u>	
3	Iodine is corrosive so teflon seals required in vial cap. May use alternative
