IT'S BACK!! The Cardboard Boat Float 2013 is back again at Pipsico Scout Reservation (PSR). This event will provide a great opportunity for Scouts to hone their creative problem solving and teamwork skills while having lots of fun in the process. Recently resurrected after almost 4 years, the NEW Cardboard Boat Float hopes to draw on the enthusiasm from years past. Hosted again at Pipsico Scout Reservation, a Nationally Accredited Camping Facility, the event will take place along the shore of the James River, not in Lake Beasley as in the past. Special permission has been granted for Boy Scout, Venture Scout and Cub Scout units to participate in this event on the James River.

Participants will strive to meet the challenge - using team building - to design and build a powered boat, human or otherwise, made of corrugated cardboard which is capable of completing three trips around a course that is approximately 200 yards long. In addition to race finish awards, two awards once thought long lost have been resurrected... the King Neptune Award and the Davy Jones Award are both back for units to earn! More information is available in the leader's guide, but if you are a Cub Scout, Boy Scout, Sea Scout or Venture Scout; this event is FOR YOU!
