<b>Introduction</b>	This traveling extravaganza has been going on every year since 779 B.C (not really). The very first Olympic games has been traced back to ancient Greece, and began a spectacle too grand to host only once. You may have heard of Olympics being hosted every four years. Those games are for adults. Adults do not have near the endurance of Cub Scouts, and hence 2015 marks the 2804th consecutive / annual / held-on-a-regular-basis (not really) Cub Scout Olympiad.

Every single Cub Scout is cordially invited to test their physical abilities in this regularly irregular event. By a vote, of only mom's (at the 2014 Pow Wow), there will be a Mother's Day brunch on Sunday; Mothers' Day. Camping is available Friday to Sunday. The opening ceremony is on Friday evening, and the games begin Saturday Morning.

Staff positions are available for direct program support as well as logistical support. Please inform the event chairman of the names and contact information for those volunteers in your unit who may help contribute to the event's success. Please e-mail Wes Parker at [wparker@pipsicobsa.com](mailto:wparker@pipsicobsa.com).

## CAMPSITES

Campers need to provide their own tents and beddings. All Pipsico tents and cots are in storage for the winter. Sites will be assigned based on registration date, unit size, and if the unit has a trailer. Units are encouraged to set up their campsite with their unit identification number, an American flag, unit flag and patrol flags.

## TRADING POST

In addition to program materials, our Trading Post offers a variety of snacks and drinks, and a wide selection of camping supplies, Scouting materials, and special Pipsico Scout Reservation souvenirs. ## WATER AND BATH FACILITIES

Drinking water will be available in every campsite, at the OA shelter in Base Camp, and at the Gregson Center at the front of the Reservation. Units are encouraged to bring 2 to 5 gallon containers for transporting water. Participants must also ensure they have portable water supplies for use while transition between the program areas throughout the day on Saturday.

Primary bathroom facilities are latrines inside of each campsite and limited use “enclosed” toilet facilities are available (both male and female) at the front of the Reservation at the Gregson Center and at the Burton Center in Base Camp. Shower and toilet facilities will also be available at the Pool.

## PARKING

Absolutely no vehicles are permitted on the grass fields or in campsites. Gear is to be unloaded at campsite entrances and all vehicles shall be returned to the parking lot immediately upon completion of unloading. **Please make every effort to unload completely prior to setting up.** Trailer parking is available at certain campsites (Please note on the registration form if you unit plans on bringing a trailer). All parking for Base Camp will be either at the Burton Center parking lot, at the overflow lot next to the lake, or at the barn if required. If overflow parking at the barn is used, a shuttle service will be instituted. Arrangements will be available for Special Needs Visitors, Scouts and Scouters as requested.

## MEDICAL MATTERS-

### MEDICALS

According to BSA policy, all Scouts and leaders should complete an Annual Health and Medical Record form (parts A&B only) for all scouting activities. This is just the health history form (excluding the physician’s portion). **IT IS THE RESPONSIBILITY OF THE UNIT** to obtain and maintain copies of these forms for members of their unit for all activities they conduct. Medical forms will NOT be turned in at check-in. The official BSA form is located here: [http://www.scouting.org/filestore/HealthSafety/pdf/680-001\\_AB.pdf](http://www.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf).

### MEDICAL TREATMENT

All units should bring a unit first aid kit and treat injuries within their capabilities. Units must report all injuries and other medical situations to the camp staff at the Health Lodge, even those they treat themselves. Qualified medical personnel will be on duty at the Health Lodge at all times. If necessary, the camp staff will contact emergency medical services and ambulance services using 911. Unit leaders are expected to control all medications within their units.

## PRESCRIPTION MEDICATIONS

All prescription drugs are kept and administered by the unit. It is to be kept in a secured location out of the reach of the children. If medication requires refrigeration, it can be checked in with the Health Officer at check-in. By law, medications must be in a container with a typed label from the pharmacy.

## EMERGENCY PROCEDURES

The Pipsico Scout Reservation maintains emergency procedures to meet, and in some cases, exceed the standards set by the Boy Scouts of America. It is essential for everyone's safety that every member of your unit fully understands that these procedures exist - their life, your life, or someone else's life could depend on it. Please be sure to follow only instructions delivered by the staff chain of command. Likewise, if an emergency arises, or is brought to your attention, please notify the nearest staff member immediately so that we may launch the appropriate procedures. Do not attempt to resolve an emergency situation alone. Notify the nearest staff member. In the event that an emergency arises, an alarm will sound from the program administration building. When this alarm is heard, all units and participants are required to assemble to the field in front of the Dining Hall and await further instruction.

## YOUTH PROTECTION POLICIES

Leaders are asked to review the Guide to Safe Scouting before attending camp and ensure compliance by their unit with policies as detailed in the Guide, particularly in respect of youth protection policies. Failure to comply with Guide to Safe Scouting and youth protection policies will result in disciplinary action. Key portions of the youth protection policies found in the Guide to Safe Scouting are reproduced below. Other Guide to Safe Scouting policies are also contained elsewhere in this guide.

Adult leaders must respect the privacy of youth members and protect their own privacy at all times. Except in emergencies, adults and youth may not enter each other's designated sleeping and shower areas. No Scout may share a tent with an adult who is not his own parent or guardian.

## GENERAL POLICIES

### ALCOHOLIC BEVERAGES & DRUGS

Alcohol and illegal drugs are prohibited. All prescription drugs are kept and administered by an adult within the unit. (See the Prescription Mediations section above.)

### CELL PHONE POLICY

We would request that Scouts not to take cell phones to program sessions or, at the very least, to turn them off during sessions. Use of cell phones during program sessions is inconsiderate to other participants and, in some cases can be extremely dangerous (Scouts participating in shooting sport activities, should not be distracted by a ringing phone).

### ELECTRONIC DEVICES

Radios, cell phones, CD players, video games, and other personal electronic devices detract from the camping experience and provide an inviting target for theft. We recommend that you do not bring them into camp. If you permit them during travel to and from camp, please leave them in the car during your stay at camp. Youth campers are not permitted to have two-way radios or pagers in camp, as these have proven to be highly disruptive of the camp routine.

## FIRES, STOVES, TENTS & OPEN FLAMES

Fires will be authorized depending on the status of the State and City fire prohibitions in effect on the weekend of the event. All ground fires are permitted in the fire rings at each camp site. The staff will update units on the current fire policy at check-in. Units must post water buckets or a fire extinguisher in the fire area. Cutting of live trees, shrubs, or vegetation is prohibited.

For safety reasons, there are to be **no open flames in tents**. This ban on open flames in tents includes a ban on the use of matches, candles, kerosene, propane or liquid lanterns in tents. Lighting in tents is to be provided by battery-powered lanterns or flashlights only. It is, however, acceptable to use a lantern under a dining fly. All cooking fires, campfires and stoves are to be attended while they are burning. Fires are only to be built in designated areas and must be extinguished so that they are cold to the touch when unattended.

## INITIATIONS, HAZING & MILITARY TRAINING

Corporal punishment, hazing, initiation of any sort, and military training and drill are not permitted in the Boy Scouts of America.

## LIQUID FUELS

Adult leaders only may use Stoves and lanterns requiring liquid fuel. Extra fuel must be turned over to the Quartermaster for safekeeping in locked storage.

## MONEY & VALUABLES

Each family must decide how much spending money a Scout should bring to camp. Each Scout is, however, responsible for the safeguarding of his money and personal property. It is recommended that expensive cameras, watches, and personal entertainment devices be left at home. Regardless, all items should be clearly marked, with the boy's name and unit number.

## PETS

No pets are allowed in camp. Please ensure that anyone planning to visit your unit during the event is also aware of this rule.

## RESTRICTED AREAS

The following areas are off limits to all campers: The ranger's home and maintenance areas, camp staff living areas, the kitchen and food storage areas (except for authorized adult volunteers,) any program area where staff is not present, and the cliffs along the James River. Scouts may visit the waterfront for beach combing or fishing only when staff is present or when accompanied by an adult leader.

## SMOKING & VAPING

Anyone under 18 years old is prohibited from using tobacco in any form while at camp. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle.

## TAPS / LIGHTS OUT

A Scout is courteous. All scouts should be in their designated campsites at 10:30 p.m. to Wind-down the day's activities. Taps is at 11 p.m. Unit leaders must ensure that fires and lanterns are out and that all their youth have retreated to their tents and are quiet.

## TELEPHONES

Should anyone need to contact a camper on an important matter, the number is (757) 294-3912. This is a business phone, and cannot be tied up with personal calls. Parents will not be able to speak to their

children on this line. If adult leaders need to receive regular calls at camp, bring a cell phone or pager, or make arrangements to check with their office on a regular schedule.

## TRAILERS

If your unit plans on bringing a trailer, please provide this information on the registration form. Specific campsites have been designated for unit use when a unit has a trailer. The requesting unit is permitted to have one trailer in the designated area at the perimeter of their campsite until checkout.

## TRASH DISPOSAL

Participants should practice Leave No Trace principles to the maximum extent practicable. If you packed it in - you pack it out! All units are expected to police their camping area and remove all trash to the dumpsters located behind the dining hall or at the front of camp near the barn. Trash that will not fit in the dumpsters becomes the responsibility of the unit to remove from the campground. Do not pile trash next to the dumpsters. If the dumpsters are full at time of checkout then units **MUST** pack out their trash and make arrangements for proper disposal.

## VEHICLES IN CAMP

Since safety is our number one priority, vehicles are not permitted past the Burton Center parking lot unless authorized by the ranger for unit gear drop off. Any vehicle that is authorized to drive beyond the Burton Center must remain on the main road. Absolutely no vehicles are permitted on grass or in campsites. Likewise, no vehicles authorized in camp may block the loading dock at the rear of the dining hall.

No other motorized vehicles (golf carts, etc.) will be allowed in camp at any time except for use by designated camp staff. If the need arises for a vehicle to be in camp, approval **MUST** first be obtained from the Camp Director (Evan Sommerfeld) or Camp Ranger (Jenny Sommerfeld). Special arrangements will be available for Special Needs Visitors, Scouts and Scouters as requested.

Vehicle owners, and operators, who drive beyond the Burton Center parking lot do so at their own risk. The Tidewater Council, BSA will not accept responsibility for any vehicle damage within camp.

## WEAPONS, KNIVES, FULL AXES, FIREWORKS, FIREARMS

Pipsico provides all necessary and appropriate equipment for our shooting programs. Personal firearms, ammunition, bows and arrows are not permitted in camp. Also, no water guns are permitted at camp.

Pocketknives may be carried by adult leaders and any Scout who has earned the Totin' Chip or Whittling Chip. Fireworks & firearms of any kind are prohibited in camp. LEO's please notify the council prior to camp of any special requirements by your department.
