

# May 23, 2015

The Gene Warber Fishing Tournament honors the passing of an exceptionally dedicated Scouter. Gene served the Boy Scouts as an adult for over 40-years. His last 15-years of professional service to the BSA were spent with the Tidewater Council until his death in June of 2013. The Gene Warber Fishing Pier at Lake Beazley was constructed in his honor and was opened for summer camp 2014.

The Tidewater Council has already stocked Lake Beazley and will be adding extra fish before the tournament!

This event is open to Cub Scouts and Boy Scouts. The tournament is a one-day event. Registrants are welcome to camp at their choosing. Saturday lunch will be provided. Participant patches will be provided. Recognition will also be provided for tournament contestants. Tournament participants should bring their own fishing rods, tackle, and bait.

Non-Scout siblings are welcome to register as "adults."

At the conclusion of the tournament, any campers who wish to spend time fishing around the lake are welcome to do so.
